INTERNATIONAL STUDENT INFORMATION GUIDE 2019-20
Bringing World Class Education to You!

Sh. Tarsem Kumar Garg
Hon’ble Chancellor, MMUs

I believe that one can only grow by sharing and giving. I’ve always believed in strong principles and value-based policies. These have served my organization well. Today I take pride in my students, faculty members and staff who are contributing to nation building and are also making us proud internationally. I will continue to ensure that we excel even further in future and will strive to make every single MM Graduate a world-class professional.
• The Maharishi Markandeshwar Trust (MMT) is the brain child of Shri Tarsem Kumar Garg, a great visionary and social entrepreneur.

• The Trust has grown in a short span of over two decades into a group of institutions imparting high quality education targeted at generating employment, creating entrepreneurs and training students, researchers & professionals.

• The institutions under the trust have been rated by Globally renowned agencies as the best in their domains.

• The professional, medical & technical institutions under the aegis of the MMT collectively seek to innovate & discover synergies to maximize opportunities for all its stakeholders.

• Innovative, synergistic, integrated and inter-disciplinary courses, such as Hospital Management, Hospitality Management, Mechatronics, Bio Technology etc. are offered.

• Doctoral programs are offered to enhance the research skills qualitatively, in the society.

• Nation building through the development of human resource is the ultimate objective of MMT.

“Best medical education, I could ever dream of, along with the vast vibrant campus, where time just flies. A Blend of learning and fun”

- National & International Recognitions
- Best Return on Investment
- Outstanding Placements
- Focus on Overall Personality Development
- Professionally Driven
- Unique Academic Model
- Global Exposure
- Student Centric
- Unprecedented Industry Patronage

There are many Societies & Clubs such as Dance Society, Quiz & Debate Society, Sports Society etc to leverage students’ potential in planning, controlling and organizing the activities.

STUDENT DRIVEN SOCIETIES & CLUBS

MMUs boast of rich pool of intellectual capital. Lot of focus has been laid while selecting the finest faculty. The faculty shares industry experience and gist of their research with the students and makes sure that this transfer of knowledge becomes fruitful and ineffaceable experience for the scholars.

RICH INTELLECTUAL POOL

The best faculty and technology assisted indubitable teaching makes the best concoction for students. In extension to the traditional classroom teaching, a number of other methods like web based learning, live simulation exercises and project works are encouraged so as to make delivery of knowledge more effective and enjoyable.

TEACHING METHODOLOGY

MMUs have laid a lot of emphasis on the establishment of centres for research and development. Students are encouraged to undertake research work under the guidance of eminent faculty members at different centres. The findings are then incorporated in the regular studies.

FOCUS ON RESEARCH & DEVELOPMENT

A separate Language Lab makes English language learning, fun and very effective.

LANGUAGE AND COMMUNICATION LAB

Case based learning enhances analytical and problem solving skills of students, enabling them to apply in different management settings essential to the leadership of business / industry around the world.

CASE BASED PEDAGOGY

The Group lays comprehensive focus on holistic development through Yoga, Meditation, Taekwondo and Art of Living workshops.

HOLISTIC DEVELOPMENT

Special programmes are conducted to improve students’ Personality. Several training sessions on soft skills, etiquettes, presentation skills, personal grooming etc. are held, wherein all students participate.

PERSONALITY DEVELOPMENT

Cross cultural and cosmopolitan environment where students from all over the globe rub their shoulders to develop competencies which help them in realizing their dreams of successful career.

COSMOPOLITAN ENVIRONMENT

Students gain knowledge & skills by working on live projects. They get opportunity to explore real challenges and acquire a deeper knowledge to resolve the issues.

MMDU INTERNATIONAL YOUTH LEADERSHIP CAMP (MMDU – IYLC)

One Week MMDU-Youth Leadership Camp (MMDU-YLC) was organised in the month of June 2018 bringing together an eclectic mix of students from countries like Germany, Czech Republic, Indonesia, Sri Lanka, South Africa, Bangladesh & Nepal, providing them a forum for the meaningful exchange of culture and ideas. MMDU-YLC helped participating students to develop their leadership potential through participation in a series of workshops, learning sessions and hands-on experience.
PROJECT BASED LEARNING

Students gain knowledge & skills by opportunity to explore real challenges and acquire a deeper knowledge to resolve the issues.

Chinmoy Roy and Debashis Roy, students of M.Pharm, from Bangladesh have filed two Patents.
