ABOUT THE MM(DU)

Ideally located on the '*tapobhoomi*' of Maharishi Markandeshwar ji in the river bed of the sacred '*Markanda*', with exotic lush green rural surroundings, the NAAC Accredited 'A' Grade Maharishi Markandeshwar (Deemed to be University), Mullana-Ambala, was established under the aegis of the reputed Maharishi Markandeshwar Education Trust, (now known as Maharishi Markandeshwar Trust) which was founded by a great visionary and renowned promoter of education, Shri Tarsem Garg, in November 1993. Named after Maharishi Markandya (the great-grandson of Bhrigu Rishi and the son of Rishi Markandu, the eternal torchbearer of communal harmony and religious tolerance, who by his power of pious devotion and deep faith in Lord Shiva, acquired the boon of eternal life by defeating the invincible Yamraja), MM(DU) began with the establishment of MM Engineering College at Mullana in 1995. Making rapid progress in a short span of 25 years, it has developed into a vast campus comprising the institutions of high-profile professional courses in the areas of Medical Sciences (MBBS, M.Sc Medical, MD/MS/PG Diplomas almost in all major specialties, Super speciality courses of DM (Medical Gastroenterology, Cardiology) and M.Ch (Urology)/(Neuro-Surgery), Ph.D in select disciplines and other para medical courses); Dental Sciences (BDS and MDS in all the nine specialities, Diplomas in Dental Hygienists and Dental Mechanics, Certificates in Aesthetic Dentistry and Oral Implantology, Ph.D); Physiotherapy (BPT, MPT in five specialities, Ph.D.); Pharmacy (B.Pharm, M.Pharm in four specialities, Pharm D, Ph.D); Nursing (B.Sc, M.Sc Nursing in five specialities, P.B. B.Sc Nursing, Post Basic Diploma in Critical Care Nursing, Emergency & Disaster Nursing, Operation Room Nursing, Ortho & Rehabilitation Nursing, Nurse Practitioner in Midwifery, Ph.D); Engineering & Technology (B.Tech, M.Tech, MA/M.Sc/B.Sc., Ph.D in various disciplines); Business Management (BBA/MBA, B.Com/M.Com, Ph.D.); Computer Science (BCA, MCA, Ph.D); Hotel Management & Catering Technology (BHM&CT); B.Sc Hospitality & Hotel Administration, M.Sc Dietetics, Ph.D.); LL.M., B.A.-LL.B/BBA-LL.B/B.Com-LL.B. (5-yr integrated courses) and many more surpassing in size and standards most conventional Universities in the region. Exchange collaborations with the foreign Universities and institutions of repute have proved highly useful in keeping pace with the global developments in technical and professional education. Other institutions on the campus by the same Trust includes MM International School, Mullana-Ambala (for +2 with affiliation from CBSE & Cambridge); and MM School of General Nursing & Midwifery.

While in NIRF ranking of 2019 by MHRD, the MM(DU) has attained overall rank bracket 150-200 its constituent Institute of MM College of Pharmacy, Mullana has attained the rank of 41. This Deemed to be University has also become first Deemed to be University in North India to have received world famous QS Five Star rating in teaching employability, facilities and social responsibility.

The Sponsoring Trust has the pride privilege in establishing the first self-financing Engineering College, first self-financing Medical College and the first self-financing Deemed University in the region. The other campuses which have recently been developed by the Trust as a part of its expansion programme include MM University, Kumarhatti-Solan (H.P.), MM University, Sadopur-Ambala (Haryana) and two other MM International Schools at Ramba-Karnal and Sadopur-Ambala, with the latest addition of a Medical College as a constituent Institute of MM University at Kumarhatti-Solan which also happens to be the first self-financing medical college in private sector in the state of Himachal Pradesh.

An epitome of quality education, the MM(DU) has been imparting value-based, career-oriented education, with special emphasis on medical and technical education, lending yeoman service to the society, providing the best available training in academics as well as extra-curricular activities. The carefully selected faculty is an important asset of the MM(DU), which provides latest academic input, blending it with organization of national seminars, conferences, workshops, industry-academia interactions and orientation towards research, innovation, etc. The MM(DU) also brings out Research Journals in different disciplines. Our vision, emanating from the founder's thought-process, is to prepare students with an integrated and technology oriented education for a better career and to be worthy citizens of a global society.

The MM(DU) complex comprises independent buildings of various MM Institutes, fourteen hostels (6 for boys, 7 for girls and 1 PG hostel for Medical Students) five of which are centrally air-conditioned, with accommodation for about 6000 students; 920-beds Medical College Hospital, with latest facilities of CT-SCAN, MRI, Ultra modern OTs, Blood Bank, Pathological Labs, etc. as also recently procured 1.5 Tesla MRI and 128 Slice MDLT advanced Software for angiography and imaging; residential sector for about 500 faculty and administrative staff. Recently a most advanced, highly sophisticated, state-of-the-art, latest model High Energy Linear Accelerator has been acquired from Elekta of UK named versa HD for the treatment of cancer patients. This LINEAR Accelerator has the most advanced configuration out of the linear accelerators installed in this region which will provide all types of highly sophisticated Radiotherapy Techniques for treatment of patients and includes 3D CRT (3D Conformal Radiation), IMRT (Intensity Modulated Radiation Therapy), IGRT (Image Guided Radiation Therapy), VMAT (Volumetric Arc Therapy), SRS (Stereotactic Radiosurgery) and SBRT (Stereotactic Body Radiation Therapy). Other facilities include shopping centers, branches of the State Bank of India and Oriental Bank of Commerce with ATM facilities; Post Office; transport service with 80 AC/Delux Buses for staff and students coming from nearby areas; Petrol outlet; Wi-Fi Campus with backbone of optic fibre line with 1 gpbs under MHRD (NMEICT) project, Govt. of India and 45 mbps connectivity; Examination Hall; Auditorium; modern lecture- theatres duly fitted with OHPs and LCDs; own civic facilities like water supply, sewerage and electrification backed by high - powered soundless generators to ensure uninterrupted electric supply to facilitate teaching- learning process. All the MM institutions have well- equipped modern Labs with latest equipments, besides about sixty computer Labs with over 3000 latest computers and licenced softwares.

The air-conditioned and computerized Libraries of this Deemed to be University and its Institutions are well equipped with rich collection of Books, Journals, DVDs/CD's/Videos, Theses, standards and back volumes with provision of one- time sitting capacity of 1575 readers. In total there are 176345 books, subscribe 10071 national and international Journals including e-journals.

The Library facilities also include access to NPTEL Video/Web Courses, URKUND Plagiarism Software, IEEE, ASME, EBSCO's Dentistry and Oral Sciences Source, Lippincott Williams & Wilkins e-collection, K- hub University Collection, statistics Software. Data Base Air Law College, Bentham, etc. which provide access to all the users of Engineering, Medical and Dental streams with full text international journals.

This Deemed to be University is also members of national networks like INFLIBNET, MEDLARS, DELNET, etc. through which the collections of various institutions in India and abroad are accessible to the users for records searching. DELNET offers access to more than 22.84 million bibliographic records, 37,847 union list of current periodicals, 20,235 records of union catalogues of periodicals; 9,22,042 records of periodicals articles and 81074 records of theses and dissertations held by 5916 Libraries in the States of India and 25 overseas Libraries. MEDLARS is accessible to all users in the disciplines of Medical Sciences.

The MM(DU) takes pains in preparing its students into world-class professionals who can prove to be the pride of any employer. Those who pass out from here are capable of getting prestigious jobs within and outside the country. Several reputed companies visit our campus during the session and our students get high-class placements with enviable packages in reputed establishments through campus interviews even before completion of their courses.

The key differentiator of this Deemed to be University is to focus on high quality research with emphasis on overall development of students, maintaining a balance between academic excellence and moral perfection. Our training for different professions are tuned to making our students responsive to the emerging needs of our nation.

The MM(DU) has, thus, taken up a big challenge of the reconstruction of the society through education.

They shall be duly approved by the authorized academic bodies i.e. Academic Council on the recommendations of the respective Board of Studies.

6.4 The Department/Institute where the scholar pursues his/her research shall prescribe the course(s) to him/her based on the recommendations of the Research Advisory Committee, as stipulated under Clause 9.1 below, of the research scholar.

6.5 All candidates admitted to the Ph.D. programmes shall be required to complete the course work prescribed by the Department/Institute during the initial one or two semesters.

Ⓜ Provided that each candidate admitted to Ph.D Programme shall have to attend not less than 75% of the lectures delivered in each paper of the course work. However, a deficiency of lectures upto 10% may be condoned by the concerned Director/Principal/Head of Institute/ Department in exceptional cases on genuine reasons.

6.6 Candidates already holding M. Phil. degree and admitted to the Ph.D. programme, or those who have already completed the course work in M.Phil. and have been permitted to proceed to the Ph.D.

in integrated course, may be exempted from the Ph.D. course work. All other candidates admitted to the Ph.D. programme shall be required to complete the Ph.D. course work prescribed by the University.

6.7 Grades in the course work, including research methodology courses shall be finalized after a combined assessment by the Research Advisory Committee and the Department and the final grades shall be communicated to the Institution/College preferably within ten days of the examination of the last paper.

6.8 Ph.D. scholar has to obtain a minimum of 55% of marks or its equivalent grade in the UGC 7-point scale (or an equivalent grade/CGPA in a point scale) in the course work in order to become eligible to continue in the programme and submit the thesis.

7. ALLOCATION OF SUPERVISOR:

7.1 Any regular Professor of the University/Institute with at least five research publications in refereed journals and any regular Associate/Assistant Professor of the university/institute with a Ph.D. degree and at least two research publications in refereed journals may be recognized as Research Supervisor.

Provided that in areas/disciplines where there is no or only a limited number of refereed journals, the University may relax the above condition for recognition of a person as Research Supervisor with reasons to be recorded in writing.

7.2 Only a full time regular teacher of the University/Institute can act as a supervisor. The external supervisors are not allowed. However, Co-Supervisor can be allowed in inter-disciplinary areas from other department of the same institute or from other related institution with the approval of the Research Advisory Committee.

7.3 The allocation of Research Supervisor for a selected research scholar shall be decided by the Department/Institute concerned depending on the number of scholars per Research Supervisor, the available specializations among the Supervisors and research interests of the scholars as indicated by them at the time of interview/*viva voce*.

7.4 In the case of topics which are of inter-disciplinary nature where it is felt that the expertise in the Department/Institute has to be supplemented from outside, the Research Advisory Committee (RAC) may appoint a Research Supervisor from the Department/Institute itself, who shall be known as the Research Supervisor, and a Co-Supervisor from outside the Department/ Faculty/ College / Institution on such terms as may be agreed upon with reasons to be recorded in writing.

7.5 A Research Supervisor/Co-Supervisor who is a Professor, at any given point of time, cannot guide more than Eight (8) Ph.D scholars. An Associate Professor as Research Supervisor can guide up to maximum of six (6) Ph.D scholars and an Assistant Professor as Research Supervisor can guide up to a maximum of four (4) Ph. D scholars.

Provided that the seat allocated to a Research Scholar shall be treated as vacant from the date of submission of Ph.D. Theses by the Research Scholar.

7.6 In case of relocation of a Ph.D. woman scholar due to marriage or otherwise, the research data shall be allowed to be transferred to the University to which the scholar intends to relocate provided all the other conditions in these regulations are followed in letter and spirit and the research work does not pertain to the project secured by the parent institution/supervisor from any funding agency. The scholar will, however, give due credit to the parent guide and the institution for the part of research already done.

If the Supervisor of a candidate leaves the University before the completion of the research work and/or is otherwise unable to see the work through, due to some valid reason(s), the Vice-Chancellor may allow the change of the Supervisor, on the recommendation of the Research Advisory Committee.

8. SYNOPSIS AND TOPIC:

8.1 After deposit of the dues, the candidate will submit the synopsis of his/her proposed research programme for presentation of a seminar before the Research Advisory Committee and allocation of Supervisor from within the Department/Institute and, if need be, a Co-Supervisor from other Departments/Institutes. The synopsis approved by the Research Advisory Committee will be placed before the Board of Studies of the Department/Institute for its consideration and approval. However, the process of submission of the synopsis in the case of those who were required to undergo course work will start after the satisfactory completion of the course work. The candidates

will be required to finalize their synopses and topics in the Institute/College within one month of the declaration of result of Course Work.

Provided that the candidates who are exempted from undergoing the course work will be required to get their topics and synopses finalized from the Research Advisory Committee (RAC) within one month from the date of deposit of the admission dues.

8.2 After approval of the topic and synopsis of the Research Scholar with name of the Supervisor/Co-Supervisor by the Research Advisory Committee (RAC) of the Institute/Department concerned, the Chairman of the Research Advisory Committee (RAC), will host/upload the Synopsis on the topic approved on the INFLIBNET website of 'Shodhgangotri (shodhganga.inflibnet.ac.in)' within fifteen days of the approval by the Research Advisory Committee (RAC), with a soft copy of the same in the form of PDF File to the University Co-ordinator for INFLIBNET Collaboration.

8.3 The research topic of a candidate can be allowed to be modified within one year from the date of approval of the topic and the synopsis by the Research Advisory Committee (RAC). However, the date of registration shall remain the same. In case the research topic of the Ph.D. Programme of any candidate is modified at any subsequent stage, the synopsis on the modified topic will also have to be got uploaded on the website of the INFLIBNET by the Chairman, Research Advisory Committee (RAC) within fifteen days of the approval of the same by the Research Advisory Committee (RAC) and will finally be approved by the Academic Council on the recommendations of the Board of Studies concerned.

Further the candidate will be required to work for atleast two years on changed topic from the date of approval of the same by the Research Advisory Committee (RAC) subject to maximum duration of six years.

9. RESEARCH ADVISORY COMMITTEE:

9.1 There shall be a Research Advisory Committee, for each of the Ph.D. Programmes comprising the following with Director/Principal/HOD of the Department/Institute as Chairman of the Research Advisory Committee:

- (1) All the Professors of the Department/Institute.
- (2) One Associate Professor/Reader of the Department / Institute possessing the research degree of Ph.D. to be associated on seniority by rotation on year to year basis.
- (3) One Assistant Professor/Lecturer of the Department / Institute possessing the research degree of Ph.D. to be associated on seniority by rotation on year to year basis.

The Research Supervisor(s) of the concerned scholar shall also act as Member of the Research Advisory Committee and will be coordinating the matters concerning the Research Scholars working under his/her supervision. This Committee shall have the following responsibilities:

9.1.1 To review the research proposals and finalize the topics of research alongwith the name(s) of the Supervisor/Co-Supervisor for final approval by the Academic Council on the recommendations of the respective Board of Studies.

9.1.2 To guide the research scholars to develop their study design and methodology of research and identify the course(s) that they may have to do.

9.1.3 To periodically review and assist in the progress of the research work of the research scholars.

9.2 Each of the research scholars shall appear before the Research Advisory Committee once in six months to make a presentation of the progress of his/her work for evaluation and further guidance. The six monthly progress reports duly approved by Research Advisory Committee (RAC) shall be submitted to the University and copy of the same should be retained by the Research scholar.

9.3 In case the progress of the research scholar is unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures. If the research scholar fails

to implement these corrective measures, the Research Advisory Committee may recommend to the University for cancellation of the registration of the research scholar with specific reasons.

10. Admission & Evaluation Fee:

10.1 Admission Fees, Annual Fee, Evaluation Fee, etc. to be paid by the candidates shall be as prescribed by the University from time to time. In case any candidate does not pay his/her dues in time, his/her registration/enrolment shall be cancelled without any further notice.

11. JOINING OF OTHER COURSE:

11.1 No candidate shall join any other course of study or appear in any other examination while pursuing research. The Vice-Chancellor may, however, allow a candidate to appear in an examination or to attend a course in this University which is relevant to his/her research and is of minor nature, including improvement of any previous result.

12. SUBMISSION OF THESIS:

12.1 Upon satisfactory completion of the course work and obtaining the marks/grade as prescribed in clause 6.8 above, as the case may be, the Ph.D. scholar shall be required to undertake research work and produce a draft thesis within four years but not before three years from the date of registration to the Ph.D. Programme in the University unless the period is extended by the Vice Chancellor on the recommendations of his/her Supervisor and the Research Advisory Committee on yearly basis upto a maximum of 6 years subject to the provisions under Clause 4.2 of this Ordinance.

12.2 Prior to the submission of the thesis, the scholar shall make a pre submission in the form of presentation before the Research Advisory Committee of the Department/Institute concerned which shall also be open to all faculty members and other research scholars. The feedback and comments obtained from them may be suitably incorporated into the draft thesis in consultation with the Research Advisory Committee under the guidance of his/her supervisor.

12.3 Ph.D. scholars must publish at least one research paper in refereed Journal and make two paper presentations in conferences/seminars before the submission of the thesis for adjudication, and produce evidence for the same in the form of presentation certificates acceptance and/or reprints at the time of requesting for pre-submission alongwith evaluation fee, request for appointment of Examiners alongwith the abstract of nearly 1000 words. No Dues from the University and Completion Certificate duly countersigned by the Supervisor. The Board of Studies will send the approved panel of examiners to the examination branch within a week of pre-submission for further necessary action.

Provided that the research scholars will have to submit the Thesis within three months from the date of pre-submission before the Research Advisory Committee or upto the last date of the expiry of the Ph.D. registration period whichever is earlier failing which whole process for pre-submission will have to be initiated afresh De-novo with such additional fee as may be fixed by the University from time to time in case his/her registration period has not yet been over.

12.4 The Academic Council of the University shall evolve and notify a mechanism using well developed software and gadgets to detect plagiarism and other forms of academic dishonesty. While submitting for evaluation, the thesis shall have an undertaking from the research scholar and a certificate from the Research Supervisor attesting to the originality of the work, vouching that there is no plagiarism, duly verified by the Research Advisory Committee and that the work has not been submitted for the award of any other degree/diploma of the same University where the work was carried out, or to any other University.

12.5 The Academic Council of the University shall also frame guidelines with regard to the formatting and designing of the Ph.D. Thesis uniformly applicable on all Research Scholars for submission of their theses to the University for evaluation.

12.6 If a candidate fails to submit his/her thesis within a period of four years and does not apply for extension before the expiry of his/her period, his/her registration will stand automatically cancelled without any further notice by the University. The period of four years for submission of Ph.D. thesis may be extended in exceptional cases, by a maximum of two years subject to provision under Clause 4.2 above on yearly basis by the Vice-Chancellor on the recommendation of the Supervisor(s) and the Research Advisory Committee (RAC).

12.7 The Ph.D. thesis shall be presented in English only, unless the topic requires it otherwise.

12.8 Every thesis shall be a piece of research characterized either by discovery of new facts or enunciation of a new theory or theories or by fresh interpretation of known facts. In any case, it shall evince the capacity of the candidate for critical examination and judgment. The linguistic presentation of the thesis should be of a high standard i.e. concise, laid out logically and in proper sequence, far from grammatical and typographical errors and referenced properly. No thesis shall be accepted with any kind of dedication statement.

12.9 The research scholar shall submit four typed or photostat copies of his/her thesis alongwith six Soft Copies of the same in the form of CD in PDF file. The scholar shall also submit six copies of the summary of the thesis in about 1000 words.

13. EVALUATION OF THESIS & AWARD OF THE DEGREE, ETC:

13.1 The University shall develop appropriate methods so as to complete the entire process of evaluation of Ph.D. thesis within a period of six months from the date of submission of the thesis.

13.2 The Ph.D. thesis submitted by a research scholar shall be evaluated by his/her Research Supervisor and at least two external examiners of whom one examiner may be from outside the country, selected by the Vice Chancellor out of a panel of 8-10 experts approved by the Board of Studies in respective discipline.

13.3 ₹When the evaluation reports from both the external examiners have been received, the public viva voce of the research scholar to defend the thesis shall be conducted only if the evaluation reports of both the external examiners on the thesis are satisfactory and include a specific recommendation for conducting the viva voce examination.

▲ If one of the evaluation reports of the external examiners, is unsatisfactory and does not recommend viva voce, the Institution shall send the thesis to another external examiner out of the approved panel of examiners and the viva voce examination shall be held only if the report of the latest examiner is satisfactory. If the report of the latest examiner is also unsatisfactory, the thesis shall be rejected and the research scholar shall declared ineligible for the award of the degree.

13.4 ₹**The evaluator will state categorically whether in his/her opinion:**

i) Thesis should be accepted for the award of Ph.D. Degree and is recommended for viva voce examination.

OR

▲ ii) It should be rejected. The evaluator shall state reasons for approval or rejection of the thesis.

If he/she recommends re-submission, he/she shall specifically indicate what modifications he/she wants that candidate to effect and incorporate in the thesis.

▲ In case of any doubt or conflict between the reports by the External Examiners, the matter will be referred to the Research Degree Committee comprising the Vice Chancellor, the Dean of the Faculty concerned and the HOD/Dean Research which will examine the reports for making recommendations to the Vice Chancellor if the thesis be referred to the third examiner or viva to be got conducted.

- 13.5 The *viva-voce* examination, based among other things, on the critiques given in the evaluation reports, shall be conducted by the Research Supervisor and at least one of the two external examiners preferably the one from within the country, and shall be open to be attended by the members of the Research Advisory Committee, all faculty members of the Department/Institute, other interested experts/researchers and research scholars.
- 13.6 If the examiner appointed by the University is unable or unwilling to conduct the viva-voce examination, another name will be picked up by the Vice-Chancellor from the panel already approved by the Board of Studies to conduct the Viva.
- 13.7 The scholar will have to present himself/herself for the viva-voce examination when fixed by the University failing which he/she will be declared ineligible for the award of Degree. However, in case the scholar is unable to attend the viva-voce on the fixed date for any unavoidable reason, the Controller of Examinations on a request by the scholar in writing with an additional fee as may be prescribed by the University can allow one time postponement of the date up to a maximum period of three months from the date previously fixed by the University, failing which the candidate will be declared ineligible for the award of Degree.

- 13.8 When received, the reports of all the examiners for the evaluation of the thesis and viva voce, shall be placed before the Research Degree Committee. It shall be the function of the Committee to consider the reports and to recommend to the Vice-Chancellor whether:-

(a) The degree be awarded:-

OR

(b) The thesis be rejected.

After the approval of the recommendations of the Research Degree Committee, the Controller of Examinations will notify the result accordingly.

- 13.9 After finalization of the award of Ph.D. Degree, one copy of the thesis with soft copy will be sent to the University Library and the other to the Departmental/Institutional Library. The third copy will be kept as record in the office for five years after which it will also be sent to the University Library. The Supervisor in his capacity as Internal Examiner will retain his copy for his reference.

14. DEPOSITORY WITH INFLIBNET:

- 14.1 Following the successful completion of the evaluation process and before the announcement of the award of Ph.D. degree, the Controller of Examinations shall submit an electronic copy of the thesis in the form of PDF file to the Co-ordinator - INFLIBNET Collaboration of the University, who will host/upload the same on the INFLIBNET website of Shodhganga@inflibnet.ac.in, so as to make it accessible to other Institutions/Universities.

- 14.2 Prior to the actual award of the Degree, the University shall issue a provisional certificate to the effect that the Degree has been awarded in accordance with the provisions of UGC regulations, 2016.

15. AWARD OF PH.D. DEGREE PRIOR TO UGC REGULATIONS of 2016:

- 15.1 Award of degrees to candidates registered for the Ph.D. programme on or after July 11, 2009 till the date of Notification of these Regulations shall be governed by the provisions of the UGC (Minimum Standards and procedure for Awards of Ph.D Degree) Regulation, 2009.

16. RECOGNITION OF PH.D. DEGREE OF FOREIGN UNIVERSITY:

- 16.1 If the Ph.D. degree is awarded by a Foreign University, the University shall refer the issue to a Standing Committee constituted for the purpose of determining the equivalence of the degree awarded by the foreign University.

17. PUBLICATION OF THESIS:

No thesis shall be published without prior permission of the University. The research scholar may apply to the Principal/Director/Head of the Department/Institute for permission to publish his/her thesis within five years from the date of notification for the award of degree. The Director/Principal/HOD shall satisfy himself/herself that the thesis is in publishable form. He/she will be guided by the reports of the examiners. A certificate will be obtained from the Supervisor to the effect that necessary improvements suggested by him/her and the examiners have been properly carried out.

However, Co-Supervisor can be allowed in inter-disciplinary areas from other department of the same institute or from other related institution with the approval of the Research Advisory Committee.
- 7.3 The allocation of Research Supervisor for a selected research scholar shall be decided by the concerned Departmental Research Committee (DRC) depending on the number of scholars per Research Supervisor, the available specializations among the Supervisors and research interests of the scholars as indicated by them at the time of interview/*viva voce*.
- 7.4 In the case of topics which are of inter-disciplinary nature where it is felt that the expertise in the Faculty has to be supplemented from outside, the Research Advisory Committee (RAC) may appoint a Research Supervisor from the Faculty itself, who shall be known as the Research Supervisor, and a Co-Supervisor from outside the Faculty on such terms as may be agreed upon with reasons to be recorded in writing.
- 7.5 A Research Supervisor/Co-Supervisor who is a Professor, at any given point of time, cannot guide more than Eight (8) Ph.D scholars. An Associate Professor as Research Supervisor can guide up to maximum of six (6) Ph.D scholars and an Assistant Professor as Research Supervisor can guide up to a maximum of four (4) Ph. D scholars.
- Provided that the seat allocated to a research scholar shall be treated as vacant from the date of submission of Ph.D thesis by the research scholar.
- 7.6 In case of relocation of a Ph.D woman scholar due to marriage or otherwise, the research data shall be allowed to be transferred to the University to which the scholar intends to relocate provided all the other conditions in these regulations are followed in letter and spirit and the research work does not pertain to the project secured by the parent institution/supervisor from any funding agency. The scholar will, however, give due credit to the parent guide and the institution for the part of research already done.
- If the Supervisor of a candidate leaves the University before the completion of the research work and/or is otherwise unable to see the work through, due to some valid reason(s), the Vice-Chancellor may allow the change of the Supervisor, on the recommendation of the Research Advisory Committee.

8. SYNOPSIS AND TOPIC:

- 8.1 After deposit of the dues, the candidate will submit the synopsis of his/her proposed research programme for presentation of a seminar before the Research Advisory Committee concerned and allocation of Supervisor from within the Faculty and if need be, a Co-Supervisor from other Departments/Institutes. The synopsis approved by the Research Advisory Committee will be placed before the concerned Board of Studies under the respective Faculty for its consideration and approval. However, the process of submission of the synopsis in the case of those who were required to undergo course work will start after the satisfactory completion of the course work. The candidates will be required to finalize their synopses and topics within one month of the declaration of result of course work.
- Provided that the candidates who are exempted from undergoing the course work will be required to get their topics and synopses finalized from the Research Advisory Committee (RAC) of the concerned Faculty within one month from the date of deposit of the admission dues.
- 8.2 After approval of the topic and synopsis of the research scholar with name of the Supervisor/Co-Supervisor by the Research Advisory Committee (RAC) of the Faculty concerned, the Chairman of the Research Advisory Committee (RAC) will host/upload the Synopsis on the topic approved on the INFLIBNET website of 'Shodhgangotri.inflibnet.ac.in' within fifteen days of the approval by the Research Advisory Committee (RAC), with a soft copy of the same in the form of PDF File to the University Co-ordinator for INFLIBNET Collaboration.

8.3 The research topic of a candidate can be allowed to be modified within one year from the date of approval of the topic and the synopsis by the Research Advisory Committee (RAC) of the Faculty concerned. However, the date of registration shall remain the same. In case the research topic of the Ph.D. Programme of any candidate is modified at any subsequent stage, the synopsis on the modified topic will also have to be got uploaded on the website of the INFLIBNET by the Chairman, Research Advisory Committee (RAC) within fifteen days of the approval of the same by the Research Advisory Committee (RAC) and will finally be approved by the Academic Council on the recommendations of the Board of Studies of the department under the concerned Faculty.

Further the candidate will be required to work for atleast two years on changed topic from the date of approval of the same by the Research Advisory Committee (RAC) subject to maximum duration of six years.

9. RESEARCH ADVISORY COMMITTEE:

9.1 There shall be a Research Advisory Committee for Ph.D Programme in each Faculty comprising the following with Dean of the concerned Faculty as Chairman of the Research Advisory Committee:

- (1) All the Professors of the concerned department.
- (2) One Associate Professor/Reader of the department possessing preferably the research degree of Ph.D to be associated on seniority by rotation on year to year basis.
- (3) One Assistant Professor/Lecturer of the department possessing preferably the research degree of Ph.D to be associated on seniority by rotation on year to year basis.

The Research Supervisor(s) of the concerned scholar shall also act as Member of the Research Advisory Committee and will be coordinating the matters concerning the research scholars working under his/her supervision. This Committee shall have the following responsibilities:

9.1.1 To review the research proposals and finalize the topics of research alongwith the name(s) of the Supervisor/Co-Supervisor for final approval by the Academic Council on the recommendations of the concerned Board of Studies after recommendation/clearance from the Institutional/Animal Ethics Committee, if required.

9.1.2 To guide the research scholars to develop their study design and methodology of research and identify the course(s) that they may have to do, alongwith registration with Clinical Trials Registry of India (CTRI), if required.

9.1.3 To periodically review the progress of the research work of the research scholars.

9.2 Each of the research scholars shall appear before the Research Advisory Committee once in six months to make a presentation within fixed time span of the progress of his/her work for evaluation and further guidance. The six monthly progress reports duly approved by Research Advisory Committee (RAC) shall be submitted to the University and copy of the same should be retained by the Research scholar.

9.3 In case the progress of the research scholar is unsatisfactory, the Research Advisory Committee of the Faculty concerned shall record the reasons for the same and suggest corrective measures. If the research scholar fails to implement these corrective measures, the Research Advisory Committee may recommend to the University for cancellation of the registration of the research scholar with specific reasons.

10. ADMISSION & EVALUATION FEE:

10.1 Admission Fees, Annual Fee, Evaluation Fee, etc. to be paid by the candidates shall be as prescribed by the University from time to time. In case any candidate does not pay his/her dues in time, his/her registration/enrollment shall be cancelled without any further notice.

11. JOINING OF OTHER COURSE:

- 11.1 No candidate shall join any other course of study or appear in any other examination while pursuing research. The Vice-Chancellor may, however, allow a candidate to appear in an examination or to attend a course in this University which is relevant to his/her research and is of minor nature, including improvement of any previous result.

12. SUBMISSION OF THESIS:

- 12.1 Upon satisfactory completion of the course work and obtaining the marks/grades as prescribed in Clause 6.8 above, as the case may be, the Ph.D. scholar shall be required to undertake research work and produce a draft thesis within four years but not before three years from the date of registration to the Ph.D. Programme in the University unless the period is extended by the Vice-Chancellor on the recommendations of his/her Supervisor and the Research Advisory Committee of the Faculty concerned on yearly basis upto a maximum of 6 years subject to the provisions under Clause 4.2 of this Ordinance.
- 12.10 Prior to the submission of the thesis, the scholar shall make a pre-submission in the form of presentation before the Research Advisory Committee of the Faculty concerned which shall also be open to all faculty members and other research scholars. The feedback and comments obtained from them may be suitably incorporated into the draft thesis in consultation with the Research Advisory Committee under the guidance of his/her supervisor.
- 12.11 Ph.D. scholars must publish at least one research paper in refereed Journal prescribed by the UGC and make two paper presentations in conferences/seminars related to thesis work before the submission of the thesis for adjudication, and produce evidence for the same in the form of presentation certificates/acceptance and/or reprints at the time of requesting for pre-submission alongwith evaluation fee, request for appointment of examiners alongwith the abstract of nearly 1000 words. No Dues from the University and Completion Certificate duly countersigned by the Supervisor. The Board of Studies will send the approved panel of examiners to the Examination branch within a week of pre-submission for further necessary action.
Provided that the research scholars will have to submit the Thesis within three months from the date of pre-submission before the Research Advisory Committee or upto the last date of the expiry of the Ph.D. registration period whichever is earlier failing which whole process for pre-submission will have to be initiated afresh De-novo with such additional fee as may be fixed by the University from time to time in case his/her registration period has not yet been over.
- 12.12 The Academic Council of the University shall evolve and notify a mechanism using well developed software and gadgets to detect plagiarism and other forms of academic dishonesty. While submitting for evaluation, the thesis shall have an undertaking from the research scholar and a certificate from the Research Supervisor attesting to the originality of the work, vouching that there is no plagiarism, duly verified by the Research Advisory Committee of the concerned Faculty and that the work has not been submitted for the award of any other degree/diploma of the same University where the work was carried out, or to any other University.
- 12.13 The Academic Council of the University shall also frame guidelines with regard to the formatting and designing of the Ph.D thesis uniformly applicable to all research scholars for submission of their theses to the University for evaluation.
- 12.14 If a candidate fails to submit his/her thesis within a period of four years and does not apply for extension before the expiry of his/her period, his/her registration will stand automatically cancelled without any further notice by the University. The period of four years for submission of Ph.D thesis may be extended in exceptional cases, by a maximum of two years subject to provision under Clause 4.1 above on yearly basis by the Vice-Chancellor on the recommendation of the Supervisor(s) and the Research Advisory Committee (RAC) of the concerned Faculty.
- 12.15 The Ph.D thesis shall be presented in English only, unless the topic requires it otherwise.

12.16 Every thesis shall be a piece of research characterized either by discovery of new facts or enunciation of a new theory or theories or by fresh interpretation of known facts. In any case, it shall evince the capacity of the candidate for critical examination and judgment. The linguistic presentation of the thesis should be of a high standard i.e. concise, laid out logically and in proper sequence, far from grammatical and typographical errors and referenced properly.

12.17 The research scholar shall submit four typed or photostat copies of his/her thesis alongwith six Soft copies of the same in the form of CD in PDF file. The scholar shall also submit six copies of the summary of the thesis in about 1000 words.

13. EVALUATION OF THESIS & AWARD OF THE DEGREE, ETC:

13.5 The University shall develop appropriate methods so as to complete the entire process of evaluation of Ph.D thesis within a period of six months from the date of submission of the thesis.

13.6 The Ph.D thesis submitted by a research scholar shall be evaluated by his/her Research Supervisor and at least two eligible external examiners of whom one examiner may be from outside the country, selected by the Vice-Chancellor out of a panel of 8-10 experts approved by the Board of Studies in respective discipline.

13.3 When the evaluation reports from both the external examiners have been received, the public viva voce of the research scholar to defend the thesis shall be conducted only if the evaluation reports of both the external examiners on the thesis are satisfactory and include a specific recommendation for conducting the viva voce examination.

▲ If one of the evaluation reports of the external examiners is **unsatisfactory** and does not recommend viva voce, the Institution shall send the thesis to another external examiner out of the approved panel of examiners and the viva voce examination shall be held only if the report of the latest examiner is **satisfactory**. If the report of the latest examiner is also unsatisfactory, the thesis shall be rejected and the research scholar shall be declared ineligible for the award of the degree.

13.4▲ The evaluator will state categorically whether in his/her opinion:

i) Thesis should be accepted for the award of Ph.D Degree and is recommended for viva voce examination.

OR

ii) ▲ It should be rejected. The evaluator shall state reasons for approval or rejection of the thesis. If he/she recommends re-submission, he/she shall specifically indicate what modifications he/she wants that candidate to effect and incorporate in the thesis.

In the case of any doubt or conflict between the reports by the external examiners, the matter will be referred to the Research Degree Committee (RDC) to examine and making necessary recommendation whether the thesis be referred to the third examiner or viva to be got conducted for approval by the Vice-Chancellor.

▲ In case of any doubt or conflict between the reports by the External Examiners, the matter will be referred to the Research Degree Committee comprising the Vice -Chancellor, the Dean of the Faculty concerned and the HOD/Dean Research which will examine the reports for making recommendations to the Vice- Chancellor if the thesis be referred to the third examiner or viva – voce to be got conducted.

13.6 The *viva-voce* examination, based among other things, on the critiques given in the evaluation reports shall be conducted by the Research Supervisor and at least one of the two external examiners preferably the one from within the country and shall be open to be attended by the members of the Research Advisory Committee, all members of the Faculty concerned, other interested experts/researchers and research scholars.

- 13.6 If the examiner appointed by the University is unable or unwilling to conduct the viva-voce examination, another name will be picked up by the Vice-Chancellor from the panel already approved by the concerned Board of Studies to conduct the viva-voce.
- 13.7 The scholar will have to present himself/herself for the viva-voce examination when fixed by the University failing which he/she will be declared ineligible for the award of Degree. However, in case the scholar is unable to attend the viva-voce on the fixed date for any unavoidable reason, the Controller of Examinations on a request by the scholar in writing with an additional fee as may be prescribed by the University can allow one time postponement of the date up to a maximum period of three months from the date previously fixed by the University, failing which the candidate will be declared ineligible for the award of Degree.
- 13.8 When received, the reports of all the examiners for the evaluation of the thesis and viva voce, shall be placed before the Research Degree Committee of the concerned Faculty. It shall be the function of the Committee to consider the reports and to recommend to the Vice-Chancellor whether:-

(a) The degree be awarded:-

OR

(c) The thesis be rejected.

After the approval of the recommendations of the Research Degree Committee, the Controller of Examinations will notify the result accordingly.

- 13.10 After finalization of the award of Ph.D Degree, one copy of the thesis with soft copy will be sent to the University Library and the other to the Departmental/Institutional Library. The third copy will be kept as record in the office for five years after which it will also be sent to the University Library. The Supervisor in his capacity as Internal Examiner will retain his copy for his reference.

14. DEPOSITORY WITH INFLIBNET:

- 14.1 Following the successful completion of the evaluation process and before the announcement of the award of Ph.D degree, the Controller of Examinations shall submit an electronic copy of the thesis in the form of PDF file to the Co-ordinator - INFLIBNET Collaboration of the University, who will host/upload the same on the INFLIBNET website of Shodhganga@inflibnet.ac.in, so as to make it accessible to other Institutions/Universities.
