Bringing World Class Education to You!

Sh. Tarsem Kumar Garg ►
Hon'ble Chancellor, MMUs

I believe that one can only grow by sharing and giving. I've always believed in strong principles and value-based policies. These have served my organization well. Today I take pride in my students, faculty members and staff who are contributing to nation building and are also making us proud internationally. I will continue to ensure that we excel even further in future and will strive to make every single MM Graduate a world-class professional.

T

- The Maharishi Markandeshwar Trust (MMT) is the brain child of Shri Tarsem Kumar Garg, a great visionary and social entrepreneur.
- The Trust has grown in a short span of over two decades into a group of institutions imparting high quality education targeted at generating employment, creating entrepreneurs and training students, researchers & professionals.
- The institutions under the trust have been rated by Globally renowned agencies as the best in their domains.
- The professional, medical & technical institutions under the aegis of the MMT collectively seek to innovate & discover synergies to maximize opportunities for all its stakeholders.
- Innovative, synergistic, integrated and interdisciplinary courses, such as Hospital Management, Hospitality Management, Mechatronics, Bio Technology etc. are offered.
- Doctoral programs are offered to enhance the research skills qualitatively, in the society.
- Nation building through the development of human resource is the ultimate objective of MMT.

PROJECT BASED LEARNING

Students gain knowledge & skills by working on live projects. They get opportunity to explore real challenges and acquire a deeper knowledge to resolve the issues.

FOCUS ON RESEARCH & DEVELOPMENT

MMUs have laid a lot of emphasis on the establishment of centres for research and development. Students are encouraged to undertake research work under the guidance of eminent faculty members at different centres. The findings are then incorporated in the regular studies.

HOLISTIC DEVELOPMENT

The Group lays comprehensive focus on holistic development through Yoga, Meditation, Taekwondo and Art of Living workshops.

RICH INTELLECTUAL POOL

MMUs boast of rich pool of intellectual capital. Lot of focus has been laid while selecting the finest faculty. The faculty shares industry experience and gist of their research with the students and makes sure that this transfer of Knowledge becomes fruitful and inefaceable experience for the scholars.

LANGUAGE AND COMMUNICATION LAB

A separate Language Lab makes English language learning, fun and very effective.

PERSONALITY DEVELOPMENT

Special programmes are conducted to improve students' Personality. Several training sessions on soft skills, etiquettes, presentation skills, personal grooming etc. are held, wherein all students participate.

TEACHING METHODOLOGY

The best faculty and technology assisted indubitable teaching makes the best concoction for students. In extension to the traditional classroom teaching, a number of other methods like web based learning, live simulation exercises and project works are encouraged so as to make delivery of knowledge more effective and enjoyable.

CASE BASED PEDAGOGY

Case based learning enhances analytical and problem solving skills of students, enabling them to apply in different management settings essential to the leadership of business / industry around the world.

STUDENT DRIVEN SOCIETIES & CLUBS

There are many Societies & Clubs such as Dance Society, Quiz & Debate Society, Sports Society etc to leverage students' potential in planning, controlling and organizing the activities.

COSMOPOLITAN ENVIRONMENT

Cross cultural and cosmopolitan environment where students from all over the globe rub their shoulders to develop competencies which help them in realizing their dreams of successful career.
