### Online Education

1. Does all programs/courses were completed on time.		Yes	
2. Measures taken to complete the syllabus of courses and programs.		MM(DU) gives flexibility to students to get enrolled in online courses offered by various online education platforms like SWAYAM, NPTEL, COURSEERA, etc. While preparing the list of online courses which are to be offered, the concerned Institute/Department addresses all the challenges related to the transfer of credit into the transcript as per the curriculum and then gets this list approved from the concerned Board of Studies. Further, this list of online courses is floated among the students in the beginning of each year/semester. Students are enrolled in the online courses as per their choice. The departments continuously monitor the progress of such courses opted by students. During the progress of the course, the host institutes (who offered the online course) do continuous assessment of the students in the form of assignment, quizzes, short answer questions, etc. After the completion of the online course, the host institutes conduct the final examination and award the course completion certificate to the successful candidates. Students submit their course completion certificates to their respective departments for preparing the final summary sheet. The departments then share these summary sheets along with supporting documents to the office of Controller of Examination. After scrutiny of documents, marks earned from online courses are reflected in the DMCs of students. Accordingly, the entire process gets over well in time.	
3. The period of delay in completion of syllabus (in months).		0	
4. The period of delay in conducting exams (in months).		0
