### A One Day Workshop on Scheme and Syllabus Restructuring

The Institute was organized a one day workshop on restructuring and redesigning of Scheme and Syllabi of BCA and MCA to be effective from the academic session 2020-21 under the Choice Based Credit Scheme (CBCS) on 02.06.2020 (Tuesday) from 10:00 am onwards.

#### The following faculty members were participated in this workshop:

- Dr. Sumit Migttal, Dr. Munishwar Rai, Mr. Vivek Bhatnagar, Dr. Dalip, Mrs. Sawita Wadhawan, Mrs. Deepika Kalyan, Mr. Arvind Sharma, Ms. Ayushi, Mrs. Nitika Arora, Mrs. Pooja Rani, Ms. Ritu Aggarwal, Mrs. Rubika Walia
- Dr. Sandip Kumar Goyal (HOD, CSE, MMEC), Dr. Sanjeev Rana Professor, CSE were also participated as the subject experts.

The feedback committee of the institute presented the feedback analysis report for the session 2019-20 in the workshop. A worthy deliberation was held among all the faculty members present and all the members were of the same opinion that the scheme & syllabi needs be modified as per the current trends of the software industry. The external experts suggested about the worthiness of various revisions which should have to be undertaken by the institutes in scheme and syllabi of all ongoing technical courses on time as per current scenario of industry. They also suggested subjects named Internet Technologies, Software Testing and Quality Assurance, Digital Marketing, Blockchain Technology, Machine Learning, R-Programming etc. to be introduced. Dr. Sumit Mittal made aware all the faculties about the importance of CBCS & elective subjects and it was decided to get them introduced in BCA and MCA programme. Workshop ended with vote of thanks proposed by Principal, MMICTBM.

#### Action Taken Report

Academic Year: 2018-19

Action taken report has been prepared after getting the feedback from various Alumnis, Students, Teachers, Employers, Industry professionals for the up gradation of students as well as department

- Curriculum has been revised according to the industrial needs and Approved from BOS as per AICTE model scheme
- Extra Classes has been conducted for the slow learners to improve their Performance
- · More career guidance and soft skill development schemes have been implemented
- More no of industrial visits and field visits are conducted. Also teachers are asked to undertake more experiential teaching learning process.
- Teachers are also using PowerPoint presentations for enhancing teaching learning experience.
- All faculties are now using ICT for teaching learning purposes to create smart learning environment
- Placement and guidance cell has been strengthened to provide more job opportunities to the students
