Education is the passport to the future, for tomorrow belongs to those who prepare. We, at MM(DU), strive to make the future of youth bright and brilliant by enhancing their employability, skills, talent and passion so that they further make the world around a better, happier and more prosperous place.

Since its inception in 1993, Maharishi Markandeshwar Trust (MMT) has banked upon innovation and passion to make the process of education valuable as well as relevant in sync with global competition. In fact, the Trust has gone out of its way to rope in the best practices in the area of education which is so very evident in the ever-increasing influence and popularity of MM(DU), the leading and vibrant university under MM Trust. MM(DU) is known for its high employability quotient courses, world-class faculty, state-of-the-art infrastructure, and larger-than-life success stories of its alumni.

MM(DU) has been the vanguard of every industry-institute engagement. Besides the regular classroom lectures, students also get a chance to take part in workshops and webinars apprising them of real-life business leadership challenges.

What we offer is more than a degree; it is the complete learning experience along with some really robust mentoring network of best executives from across the country. Being a part of the lively, pioneering, and socially engaged global community of MM(DU), the students get to see diversity in all forms. They will rise up to a culture of collaboration and develop the nerves to deal with the status quo. They will have the best of opportunities for academic, career, and personal advancement across different fragments of the Full-Time Program; this encompasses certain programs and initiatives which are meant exclusively for students of MM(DU).
Meet the visionary behind MMUs - Shri Tarsem Kumar Garg who wished to see students hailing from North India empowered with global education so as to have a head start in life. It was his idea that the best education and infrastructure should be made available to the youth of tier II and tier III cities in North India. Coming from a humble background; Sh. Garg dedicated his life to spread the enthusiasm for higher education and professional courses in small towns and rural areas of the region.

To realise the Vision of “Education for all”, he set up the Maharishi Markandeshwar Education Trust (now known as Maharishi Markandeshwar Trust) in 1993. In a short span of 2 decades, the MM Group of Institutions has grown into one of the most reputed educational group in the country which takes pride in its state-of-the-art infrastructure as well as expert faculty. These institutions have widened the horizons of growth and success for thousands of youth and equipped them with a culture of excellence, inclusiveness and social service.

WHAT MAKES MM(DU) A TRAILBLAZER?

At Maharishi Markandeshwar Institutions, the focus is on establishment of centers for research and development. Under expert aegis of mentors students are propelled to embark on research work at different centers.

Focus on Research & Development

For an effortless culmination of theoretical know-how to practical knowledge, the students are driven to undertake various projects with different organizations under expert guidance of their mentors.

In-depth Project Work

MM(DU) takes pride in its highly resplendent team of intellectual capital. Extreme care is exercised in hiring the best faculty. The faculty not only holds the industry experience but also makes sure that the students benefit immensely from the knowledge they hold.

Highly Knowledgeable Intellectual Pool

Student Driven Societies & Clubs

There are many societies & clubs such as – Dance Society, Quiz & Debate Society, Sports Society etc. to leverage student potential in planning, controlling and organizing the activities.

Rich Repertoire of Knowledge

In the fast changing work environment, latest and most up-to-date course content has become the need of the hour. In order to accomplish this requirement, special review teams are set up with view to enhance the course content and add on newer as well as wider dimensions to the already existing content.

Teaching Methodology

At MM(DU), one can experience a potpourri of different cultures and ways of life as students from every state of India and even abroad are here to develop their competencies. Such intercultural experiences help the students to gain maximum from their learning. Cosmopolitan environment also helps the students to realize their dreams of a successful career.

Multi-Cultural Environment

Quality Certification

The best faculty at the university aims to offer best teaching with latest technology assisted tools. Apart from the traditional classroom teaching, several other techniques are used for teaching such as live simulation exercises, web based learning and project works. All these techniques are used so that delivery of knowledge becomes more effective as well as fun.

Modern buildings, state-of-the-art classrooms, fully equipped sports complex, auditorium, hospital, centres of excellence, exhaustive library, campus business park, latest technology labs, trained faculty, lush green lawns spread across 40 acres of land— all of this promise students an amazingly vibrant university life experience.

World Class Infrastructure

MM(DU) is located strategically in the most happening place in the state of Haryana with about an hour drive from Chandigarh.

Strategic Location

Our Alumni are spread around the globe. There is prestige, ground breaking thinking and state-of-the-art facilities to help you achieve your true potential.

Our Alumni are spread around the globe. There is prestige, ground breaking thinking and state-of-the-art facilities to help you achieve your true potential.
MM(DU) is a wholly self-contained campus comprising of everything that students on campus would ever require.

Come; see it to believe it.
MM(DU) Libraries live up to the vision and mission of the institution – empower the students in their pursuit of education and learning. One can find answer to any intellectual inquiry in the libraries of MM(DU) which house the world’s most diverse range of scholarly resources, books and journals and audio-visual material as well.

MM(DU) Libraries are open for students, faculty, staff and alumni of the university. The library also has an exclusive books section where research papers and significant books/journals are kept. MM(DU) Libraries also offer the members the facility to search any book or journal through digital databank. The Reading Section of Libraries are like another world for the erudite where they can sit and study for as long as they want.

One can find a huge collection of more than 1.8 lakh Books, CDs, Videos, Theses, Standards and Back Volumes. MM(DU) Libraries are member of INFLIBNET, DELNET, NPTEL etc. and have more than 9,500 print and E-Journals available along with Library Management Software etc.

What makes MM(DU) Library so distinguished in the world?

MM(DU) Library is India’s pride for being the Recipient of Limca Book of Records 2013, by making the biggest Pyramid of Books. The libraries have a seating capacity for more than 1500 readers and exhibit leading research work of eminent scholars from all across the world.

Our students benefit from a rich stimulating and intellectually challenging community where a student works alongside faculty.
MM(DU) focuses on making the students industry ready and knowledge of books alone is not enough for that. So the university involves the students in project-based learning; especially the students of Science, Nursing, Computer Applications, Technology and Engineering courses are involved in various significant LIVE projects where they get the opportunity to understand real-life challenges and gain by working in the industry-like situations. Project-based learning approach is also followed in management and hospitality courses.
The idea is to provide real-time experience to student and train them in the skills for handling complex case scenario before actually carrying out the same on the patients. For this, the Skill and Simulation facility has Adult Patient Simulator, Pediatrics and Neonatal Simulator, Infant and Child mannequins in virtual Intensive Care Units (ICU), Paediatric-ICU and operation theatre modules.

The Centre also has facilities for advanced training in Laparoscopy, Arthroscopy, Endoscopy, Colonoscopy, Bronchoscopy, Urological procedures, Angiography and Gynaecological Procedures and Ultrasound imaging with the help of most advanced Simulation Trainers.

MM(DU) has always been a research-oriented and exposure-driven educational institution and it has encouraged practical and interactive education along with skill training for the youth to increase their employability quotient. To promote skill and entrepreneurship development, MM(DU) has now inaugurated Centre for Skill and Entrepreneurship Development (CSED) which aims to strengthen technical education infrastructure to promote industry-relevant skills in the youth. The Centre will act as a catalyst for boosting inclusive and sustainable industrial development while creating employment opportunities for the local youth.

CSED has been developed in collaboration with Dysmech Competency Services Pvt Ltd which has built an unmatched goodwill for being one of the leading consultants in India with nationwide presence and with Technology provider Dassault Systems (France), PTE (USA) & Master.com (USA).

The Center will offer industry-specific courses in Manufacturing, Artificial Intelligence (AI) and Industrial Internet of Things (IIoT).
“AARAMBH” - An initiative by MM(DU) to hone the entrepreneurial skills, product development and manufacturing in line with the initiative of Sh. Narendra Modi, Hon’ble Prime Minister of India, to encourage the programs like ‘MAKE IN INDIA’ & ‘Startup India’ with an objective to cultivate entrepreneurship that creates self-employment.
YUVRAJ SINGH CENTER OF EXCELLENCE

Cricket Academy at Mullana & Sadopur, Ambala Campuses with state-of-the-art facilities

In association with the renowned cricketer Mr. Yuvraj Singh, MM(DU) established “Yuvraj Singh Center of Excellence” cricket academies with the state-of-the-art infrastructure. Apart from YSCE, MMUs are active members of Association of Indian Universities and different sports associations.

Our teams participate in many local as well as inter University tournaments. Competitions with local clubs and other institutions are frequently organized to encourage vibrant sports culture promoted by the Sports Club which maintains various outdoor and indoor sports facilities. A well-equipped Gymnasium is also available.

- Hobbies and Recreation (Photography, Film Making, etc.)

MM(DU) believes that any degree that doesn't make the students ready for the real-world and industry challenges is just half the joy. That's why we have spearheaded a unique initiative, in fact, first-of-its-kind in the country where we offer opportunities to our students to be a part of professional network right at the campus. We have set up different Centres of Excellence where professionals and mentors train students and involve them in industry projects. This is how students get to know more about work profile in the industry and move in sync with the world.

At MM(DU), we have also established MM Business Incubation Centre (BIC) which gives the students a chance to be an idea catalytic and try out their entrepreneurial skills. This incubation centre encourages the students to go ahead with their ideas through start-ups. Full support is provided to them by industry mentors, academic mentors and peer groups in the students. There are continuous ongoing efforts to strike more and more tie-ups with leading MNCs to support the start-ups in this incubation centre.
CAREER SUPPORT & CENTRAL PLACEMENT CELL

With the mission of “Career choice for every MM Group student”, an exclusive division for career development, trainings and placements had been brought into existence in the year 1995. Today, this division is called the Central Placement Cell (CPC) which works in close coordination with different constituent institutes & group campuses.

  - The university and the faculty have given us a lot in terms of knowledge and other curricular activities. The placement was amazing with the companies showing us and creating an ocean of opportunities to grab.
Faculty of CSE department helped us a lot in career growth and development. Not only practical study but also co-curriculum activities proved significant in adapting to the fast changing IT world.

I am proud to be a MM(DU) alumni. I am grateful to the faculty and fellow classmates for continuous motivation and support.

MM(DU) offers unique combination of learning & self development. Comprehensive Training Programs conducted within department helped me a lot.

I am extremely thankful to MM(DU), the place that created a better version of myself. I believe that the experience and knowledge I acquired during my B.Tech. will help me reach a higher professional level and fulfill my ambitions.

MM(DU) provided me an opportunity to think and innovate new ideas. Also, the campus provided us a healthy environment for overall growth.

Faculty is nice and puts great effort on the betterment of the student’s future. The confidence build-up there is paying me now.

The best place to learn and grow!

Those were the best 4 years of my life.

The staff was very good with every student. Professors and lab attendants used to treat us like friends.

MM(DU) is setting higher standards in higher education. They have the best faculty for engineering and science courses.

I learnt a lot here, both academically and personally. This campus has given me a great opportunity to represent myself in big brands and create a dream life.

Absolutely grateful!

My experience here has meant career advancement to a highly responsible and technically challenging position in a leading edge software company.

I am glad I took the decision of being a part of MM(DU). The university has enriched my life in more ways than one; I am now ready to face the world confident and knowledgeable enough to take up any challenge.

‘Think different and do different’ that is what I learnt during my education at MM(DU). My success journey started at the university; absolutely grateful!

Time spent at MM(DU) is like golden years for me. I gained more than just the degree. I am now a confident and skilled young person ready to face the world.

MM(DU) is setting higher standards in higher education. They have the best faculty for engineering and science courses.
