**One Day Online Workshop on Mobile Application Development using
 Python**

The Computer Science and Engineering Department, M.M.E.C., M.M.(DU) organized a one day online workshop on "Mobile Application Development using Python " on 25.09.2021 for the Faculty, Research Scholars and Students. Dr. Avinash Sharma was the convener of the webinar. The resource persons were Dr. Asadi Srinivasulu, Head Research, BlueCrest University, Monrovia and Mr. Tarkeshwar Barua, Assistant Professor, BlueCrest University, Monrovia. They had discussed the Mobile Application Development concepts such as Mobile Features, Layout Designing, Mobile Architecture, Mobile App Development Process, Mobile App Development Life Cycle, Mobile App Platforms, and Python for Mobile Client GUI, Python for Mobile Registration Form and Mobile Applications. Various Python Libraries like Kivy, Keras, Scikit Learn and Tensorflow. Many of the participants had raised their queries in the session and all these queries were successfully resolved by the resource persons with suitable examples. A total of 231 participants (Students: 191, Faculty: 38) from different institutes from different states of the country.
