Online Education

1. Does all programs/courses were completed on time.

Yes

2. Measures taken to complete the syllabus of courses and programs.

Maharishi Markandeshwar (Deemed to be University) has always ensured best quality of education for its students. Completion of syllabi of all the courses offered is indeed a very important part of the same. Even during the pandemic period, when the students were not able to attend the classes in physical mode, the delivery of the instructions was ensured through online classes using MS-Teams platform and Moodle. The recorded lectures along with the ppts/lecture notes were also shared with the students using various means including the emails. The progress of the same was monitored at the level of the concerned HoD/Principal. MM(DU) also provides flexibility to students for enrolment in the online courses offered by platforms like SWAYAM, NPTEL, COURSEERA, etc. The concerned Institute/ Department prepares the list of online courses to be offered to their students keeping in view the final transfer of credit into the transcript as per the curriculum and then this list is approved from its Board of Studies. Students are enrolled in the online courses as per their choice. The departments continuously monitor the progress of such courses opted by students. During the progress of the course, the host institutes (who offer the online course) do continuous assessment of the students in the form of assignments, quizzes, short answer questions, etc. After the completion of the course, the host institutes conduct the final examination and award the course completion certificate to the successful candidates. The summary sheets along with necessary supporting documents are shared by the concerned department to the office of Controller of Examinations. After scrutiny of documents, marks/credits earned from online courses are reflected in the DMCs of students.
