Relevance of curriculum in your Job: The curriculum helped me enhance my personality and communication skills. This helped me to be wherever I am.

Need any change in curriculum and syllabi: It should include courses (introductory) like Data Analytics and their uses in the industries. It should explain their scope in today's world.

Improvements in teaching and learning Process
Teaching process should emphasize on real life examples.

Have you learned the basic concept through your Project?
Yes.

Do you suggest any new Subject/ Course to be introduced?
Data Analysis

Any other suggestions/comments: NA

STUDENT'S FEEDBACK ON SCHEME/SYLLABUS REMARKS: JAN-JUNE, 2022 [EVEN SEM SESSION]

(4)

4 CSE-A

Student Feedback (Is any change required?)
No change required plz. All well.
We need no improvement for the lectures , teachers are excellent
No, all teachers doing good.
No suggestion at all
Everything is fine .thank you for providing us best faculty for learning
I have no any suggestions
All teachers are good and teach seriously

4 CSE-B

Student Feedback (Is any change required?)
Nothing change I requested
The curriculum is good enough
Kindly Change iiot teacher and design pattern teacher
Improvement should be whenever there is a sessional or examination teacher or department should provide the syllabus before time not at the time or in the day of the exam in happened like on a daily basis and this very bad thing even we are prepare we don't know what is coming and we can't prepare to the full extend of that particular subject or particular syllabus because we don't know about the syllabus so we have like not able to score good numbers
The syllabus must be changed as per the market, and the trending and demanded skills must be teach to us so that we can complete with this growing world and it will also help us in the placements.
One day i was Only 2 minute late but sir not permission me to entry in class
Change computer network and design pattern teacher

4 CSE-C (CT & IS)

Student Feedback (Is any change required?)
All good. Nothing change I required.
The curriculum is good enough
I am very happy with the current patter or syllabus
Everything is good but teachers should be more strict during lab
Improve teaching techniques and discuss about the what the actual problem of student to understanding the syllabus.
Some teachers don't cooperate with students.. and that must be improved..if a child has written appropriate in test.. marks should be given
It a good teaching for all teachers that's all

4 CSE-D (DATA SCIENCE)

Student Feedback (Is any change required?)
Nothing change I requested.
The curriculum is good enough
Please send tentative before upcoming semester
To reduce the on Students that Teachers gave
Overall right but syllabus Back on its time.
Provide tutorial classes in per week
i don't know sir my suggestion all group student discussion

No all are good no changes required in syllabus or curriculum
Everything is good. All teachers are very reliable
Decrease the overall time of lectures & labs
very very bad system of education
No Suggestions for overall improvement/amendment in the Curriculum/Syllabus
This university is a good for study.
All teachers teach properly.
Provide proper notes
Everything is fine no need for improvement
I don't want to suggest anything thing because i think everything is going well
No suggestions . All teachers are good in teaching
Teachers should maintain the gap between tha classes means leave lecture on time so students can be able to prepare for next class.
In computer networking teacher just show the slides which are not clearly visible in class because of light and we could rarely understand anything

Some teacher will questions asking in class
Yes overall topic complete
Don't miss the topic in subject teacher in syllabus for students.
asking question with students
Replace iiot teacher.
I think cn classes can be more modular in some ways in teaching and representing style .its a bit fast to grasp up the topics
There is no need of improvement
No suggestions from myside.
We need to understand the purposes of a course syllabus and its essential elements.
No suggestions are required
College timing should be less
very nice of syllabus
Decrease the syllabus of DAA

Every thing is ok, I don't think there is any need of big change
Overall All are good
Teachers should behave politely with the students....
Everything is good for me
We learn a lot in technical subject
Everything is good.
Meeting with students, discuss with students, what's the exactly problem to understand the subject.
Small the Syllabus for next year
No the syllabus is good and little bit of improvement in some subject
college hours should be less
Overall maximum teacher are good .
Some teachers are really need to be replaced for better performance.
College timings should be reduced

I don't know because I'm not able to any discussion
Teacher is to improve communication skill to ward students
Nothing required all
organise retrial class
No suggestions right now

I am very happy with new updated syllabus.	Decrease the syllabus of D.A.A	Improvement to all Teacher
Efforts of the teacher are worth	Take class test every week so that the topics and syllabus can cover by the students time to time not only on the sessional time.	Some teacher need to be replace
Plz change design pattern teacher bcz he is very harshly deal with students like butcher .	Teaching way should be better	Improve facilities and reduce the importance of attendance.
There is need of some library periods weekly.	Average teaching by a teachers	No suggestions for me
No suggestions for overall improvement	No need to improve the syllabus	Some teachers are not capable of teaching their specified subjects as they are not given the subjects they are expert in.
might be good if syllabus is more practical friendly and focused	No Sir, everything is good.	fan does not lick well
Everything is better	Just pressurized the students for attendance.	Reduce important of attendance
we need some free lectures for library and to relax mind before next lecture	Nothing because all is will	Subjects like Computer networks lab should be taught practically with hardwares, not only on simulators.
No, all teachers are doing good.	No need to improve anything	All teachers are best and up to date but more focus should be given to practical labs
no suggestion for improvement	To become the seminar	Please improve the faculties and reduce the importance of attendance because if the attendance requirement is less then we can focus on other technologies.
During exams extra time for prepration must be provided and	Teaching something better	Some teachers are not expert in their subjects. They are unable to answer questions of students.
Teachers should uses more ppts while teaching	Overall good but need improvement	Everything is ok no need to any changes

Provide latest information about technical things and taking some revision classes before the exams.
Topics that will be covered Number and types of tests and assignments
No suggestions ..doing just fine
Teacher must focus on making the session entertaining and informative..
Like in third semester we get both java and python in same semester that shouldn't be done it makes student confusing
practile or project working in class should also be consider.
Everything is fine no change
No particukare suggestion regardubg the curriculum

Noo i dont need any changes
Please provide less assignments
It's my humble request to provide less assignments.
Reduce some syllabus if you can :)
Actually everything is fine
All teachers are good bas baaki kya kahoon main aapse kuch keh hi nhi skte
Teacher are teach well
All the teachers are on time and study before the lectures

Need more Practical experience
College dispersal timing should be reduced
Improvement in whole subject
According to syllabus teachers are good
Teachers should be more interact with students. Books questions are also to be solved in the class.
All the teacher are good and i'm preparing good
Reduce importance of attendance

Traditional kurta and leggings with same color code should be a part of uniform		All teachers are very helpful.		Teacher must try to teach all students with some examples. For better understanding.		No i do not have any suggestions	
There are so much mosquitoes in class plzz spread some medicines		Teacher's performance is very good in the class. He		Teacher should explain properly through example		Shorten it	
Teachers should teach in digital way		Change js / cryptography and network security teacher		To provide smart classes,More better teachers.Attendance criteria should be more less, Equality for every section regarding classes uniform etc		Everything is good...no need to improve or do anything else.teachers are good and iam thankful for their support and precious time for us	
Teaching method need to be improved		Overall improvement in the syllabus was good		Tell every teacher to you sir, after every 10 days of calsess take a small test which is separated from the section exam		I have not any suggestions	
No suggestions suggestions		Overall all Good please provide Less number of Assignment		Everything is going well		I have no suggestions.	
Teachers should be more friendly and polite to student. They have to realize the student problem.		I have no suggestions		No suggestion because no improvement by Md Saif Alam		not suggesting for the overall improvement in the syllabus	
Nooooooooooooooooooooo		The syllabus should be updated to the latest. More required on current topics and a special society or syllabus for startup classes		Thank you so much to all the teachers		Should improve in practical teaching !	
It's overall fine		No,there is no suggestions from my side.		To provide smart classes, revise the technical classes		No, it is sufficient.	
No suggestions For overall improvement, I all teacher are good		Okay with all the syllabus		Suggestions for the overall improvement is good		This is good according to our course.	
No suggestion of any teacher because all teacher good		It is ok the way it is.		Nice improvement all subjects		No required to change any thing in syllabus . Everything is fine.	
No suggestions. All teachers are good. They reaches very well		Some latest technology and syllabus should be discussed often so that we can have better understanding about the trends and better understanding		Improvement better lab classes		There should be head on teachers to check what and how they are teaching	

knowledge as per their subjects.	No suggestions from my side	More attention to weak children.	Reduce unnecessary subject
It's a placement time so plz provide us fast internet connection in hostels	It is fine the way it is..	all teachers are teaching well	Reduce unnecessary subjects.
Please provide a library lecture daily to complete incomplete work/assignment or to practice aptitude questions.	less assignment and less lectures	Teacher should be friendly with student.	No need for improvement
please reduce the syllabus.	No suggestion all are good	teacher cover the whole of the prescribed syllabus.	Improvement in time series
I don't have any suggestions	Nothing in particular	No	All teachers are partial on time but some time teachers the way of teaching is not understand but we can ask again he explain very well
I have zero suggestions	Its all good. I don't need any type of change	No improvement in the class about subject	Everything is good, and all facilities are also good
No everything is good. All are doing tger well.	Should be more focusing on helping more.	Ask to student to whom teacher they want	Add cyber security subject to the syllabus
I don't wanna give any opinion	All the subject teacher teaches with their full potential	Everything is well and good	Block chain should be added in our syllabus.
Nothing from my side	Please provide us the notes of subjects	Teacher are very helpful and supportive	add software engineering in our syllabus
I want to suggest teachers to use more english language while teaching.	Good good good good good	Teacher should not give marks according to the length of answers in sessional and exam. They should focus on content and accuracy	proper class for technical training (offline mode)
Improve teaching method	Syllabus is okay....	Classes are strictly and discipline. Teaching and training are also tightly and regular.	i think every teacher's are good but students need to self study than result automatically best thank youdy™.
Collage time should decrease it takes whole day	All the things are placed in right place	All teacher are very helpful or supportive	There is nothing to say all good.
Syllabus of some subjects is going well but the syllabus of some subjects remains.	Some how it's good but the way of teaching is not good	Plz provide PD class two days in week	There is nothing to say all good
No suggestions! "You are my teacher."	nothing as such for now	we are not required to project class please change project class with pd (soft skills).	Nope it is already perfect

No any improvement in syllabus
Behaviour of teacher.
Attendance should be given to all students irrespective of physical presence
No suggestions. I am good with all the teachers.
not so good the overall campus staff should be more cooperative and the ac in the classes are not running
Give some assignment
There should be some improvement in providing notes and find the best way to teach
No suggestions, i am satisfied with all teachers.
Syllabus is good going
Some skill or coding lecture were added
Everything is good.
No suggestion

side
Nothing all things are good
Some teacher needs to be skilledful in teaching.
No, suggestions for the overall improvement/amendment in the syllabus
All most good but explanation is not that much good
Nothing, All teachers are good.
No improvement should be done in syllabus
All syllabus will have completed
Yes, there is something to improvement in this department teacher should be co-operative and helpful to the student some of the teacher go just for their own comfort rather than student comfort.
Should be improvement.

No improvement needed at all.
All teachers are very helpful and supported
No improvement needed at all, but syllabus should be completed.
No I don't have any suggestions
I just wanted to say that please complete our syllabus before 20 to 25 days.., then we will have to revise our whole syllabus and prepare for exam..
Everything is fine, some teachers need to change behaviour with students, be helpful for students
Overall all subjects are good

teacher
Very good
The syllabus is very big in some of the subjects
Syllabus should be updated more frequently and teachers with prior knowledge in the field of subject should be allotted that subject. Also in practical subjects like react, computer should be used to teach the working, not the chalk.
Yeah we should add bhagwat Geeta in our syllabus, and also try to add one subject which should be based on company work culture, thank you
Added the subject or tools which is based on company bases
Less assignment work, industrial visit, compulsory intership. We can discuss more
Time series syllabus
Good syllabus very good teacher
All the faculty are very good, all teach very diligently
Syllabus should be industrial relevant
Add block chain in our syllabus

STUDENT'S FEEDBACK ON SCHEME/SYLLABUS REMARKS: JAN-JUNE, 2022 [EVEN SEM SESSION]

8 CSE (A & B) [2022 PASSOUT]

Student Feedback (Is any change required?)

Its all good.i love my teachers

Everything is ok. Our teacher's performance is also good.

No suggestions for overall improvement

All things are going good

Please be lenient for the final year students about lecture and uniform

All the teachers are best at their work

It would have been better if the studies were practical instead of theory.

overall good.

Every faculty is perfect according to there lectures or subjects.

Great teachers very impressed

Everything is good.

All the teachers are good. And all are good in Nature

No suggestions everything is alright

It is good overall but if audio and visuals were used for teaching then it would've been great.

Review pepar or research paper should compulsory in last year.

Very good and nice curriculum

Nothing It's all good

No suggestions all good

No change required, all going good

Teaching is very good

All satisfied, nothing in change I recommend

Teacher need to give good teach than now.

3 CSE (A, B, C, D) (2020-24 BATCH) STUDENT'S FEEDBACK REMARKS: AUG-DEC. 2021 [ODD SEM SESSION]

Sr. No.	Timestamp	Any Suggestions from your side for overall improvement/amendment in curriculum of your discipline:
1	2021/10/25 3:44:22 PM GMT	More labs of DSA and Java. one lab in a week is not enough to do through all concepts physically. 2) And some teachers dont know about their syllabus at all, it is may be due to recent change in syllabus. But they are not prepared at all. University should judge teacher capability about the subject that they are giving to a teacher (Specially if it is their first time).
2	2021/10/25 3:51:22 PM GMT	I want my teacher to ask programming questions to me during the class more than reciting theory concepts.
3	2021/10/25 5:44:37 PM GMT	In mathematics try to focus on problem solving rather than theoretical portion
4	2021/10/25 10:20:57 PM GMT	Library 24x7 open, there should be provision for subject teacher as for majority.
5	2021/10/25 10:56:51 PM GMT	No all disciplines are followed.
6	2021/10/26 9:32:41 AM GMT	Please add some library lecture in our time table for curricular activities and reading Books.
7	2021/10/27 4:33:29 PM GMT	We have never attend our software engineering lab class .. So i can't give any feedback for that particular subject .. While all the faculty members are very hardworking and very motivating for us
8	2021/10/28 10:22:04 AM GMT	No overall good discipline in class
9	2021/10/28 10:23:49 AM GMT	No suggestions teacher are doing good.
10	2021/10/28 10:24:11 AM GMT	No suggestions teacher are doing good.
11	2021/10/28 10:26:17 AM GMT	All teachers are good behaviour and good teaching
12	2021/10/28 10:26:43 AM GMT	No suggestions. All is going very good. Teachers teaching method is also good
13	2021/10/28 10:27:33 AM GMT	All teachers are good and behavior is so good
14	2021/10/28 10:28:47 AM GMT	Nothing from my side but teachers should be polite
15	2021/10/28 10:36:36 AM GMT	No suggestions teacher are doing good
16	2021/10/28 10:39:04 AM GMT	Give some time to prepare for the next sessionals
17	2021/10/28 10:43:48 AM GMT	It's ok. I am satisfied with the curriculum and all facilities
18	2021/10/28 10:44:15 AM GMT	I am satisfied with the curriculum and the facilities
19	2021/10/28 10:48:39 AM GMT	Every university functions based on the curriculums set for each academic year. One can even call curriculum the core of learning establishments.
20	2021/10/28 11:01:39 AM GMT	There should be library period in our time table.
21	2021/10/28 12:13:32 PM GMT	There should be a proper communication between Department and students regarding any notice. In Biometric Attendance System, there should be provision of fingerprint as well as face. Thank you!! this is all from my side
22	2021/10/28 12:15:38 PM GMT	No suggestions from my side
23	2021/10/28 2:13:09 PM GMT	No improvement needed everything is fine

98	2021/10/25 1:31:53 PM G	Explain lab class well
99	2021/10/25 3:12:32 PM G	It would be better if the library or reading closing time till 9 or 10 pm.
100	2021/10/25 3:16:41 PM G	They always ask 2,3 students for clearance of topic ,they don't ask whole class
101	2021/10/25 3:17:23 PM G	No, every teacher is good
102	2021/10/25 3:17:54 PM G	Library time is more
103	2021/10/25 3:18:12 PM G	Your welcome sire.,
104	2021/10/25 3:19:04 PM G	No
105	2021/10/25 3:27:19 PM G	everything is fine i don't want anything
106	2021/10/25 3:27:47 PM G	They interact with 2,3 students, but they dont interact with whole class
107	2021/10/25 3:28:10 PM G	Some teacher only interact with only few students..so pliz tra
108	2021/10/25 3:30:28 PM G	They interact with only 2,3 students and study quality is is so low
109	2021/10/25 3:35:16 PM G	Machine learning subject 4th sem with Sonali mam
110	2021/10/25 4:04:31 PM G	Any Suggestions from your side for overall improvement/amendment in curriculum of your disciplineno suggestions
111	2021/10/25 4:14:28 PM G	Students who come by haryana roadways got late sometimes in first lecture so teachers should allow to enter in the class as it's not an student fault.
112	2021/10/25 5:56:48 PM G	less no. of assignment so that students can have time for self study
113	2021/10/25 5:56:57 PM G	No, i have not any suggestions

115	2021/10/25 6:17:54 PM G	Good Speak to write a little
116	2021/10/25 7:16:46 PM G	Nooooooooooooooooooooo
117	2021/10/25 7:32:45 PM G	Teachers good performance
118	2021/10/25 9:20:09 PM G	Teacher should be more attentive while taking lecture
119	2021/10/25 9:49:58 PM G	I'm more than satisfied with the efforts our teachers do for our betterment.
120	2021/10/26 7:29:49 AM G	Less assignment work more focus on practical implementation. Add more of usefull topics in technical subjects like R, machine learning etc rather remove unnecessary topics that are of no use in future or atleast guide the topic with analogy to real world examples and use cases
121	2021/10/26 7:41:59 AM G	Sometimes we can't understand such topics Perfectly !
122	2021/10/26 7:42:03 AM G	There should be more number of labs then lectures
123	2021/10/26 7:44:22 AM G	No overall it's fine
124	2021/10/26 8:02:17 AM G	All teachers are good and talented
125	2021/10/26 8:21:30 AM G	everything is good nothing needs to change
126	2021/10/26 8:38:12 AM G	I don't have any suggestions from my sides
127	2021/10/26 8:47:22 AM G	I have no any suggestions from my side
128	2021/10/26 8:48:22 AM G	No, I have no any suggestions from my side.
129	2021/10/26 8:51:01 AM G	No, I have no any suggestions about it
130	2021/10/26 9:01:50 AM G	There is no suggestion from my side.
131	2021/10/26 9:13:51 AM G	No
132	2021/10/26 9:29:20 AM G	There should be a extra class for optimization techniques
133	2021/10/26 10:08:11 AM G	no thanks its ok....
134	2021/10/26 11:37:36 AM G	There is no suggestions from my side
135	2021/10/26 11:49:28 AM G	Please update the syllabus. Most of the syllabus either is not updated or is not complete
136	2021/10/26 12:29:51 PM G	Teacher should have one to one interaction with all students
137	2021/10/26 1:19:45 PM G	Time management and automata subject we will not understanding
138	2021/10/26 1:25:35 PM G	everything is fine nothing needs to change

4	2021/10/25 1:56:59 PM	Every things which where teaches by the teachers is good.
5	2021/10/25 2:02:26 PM	Any Suggestions from your side for overall improvement/ amendment in curriculum of your discipline: *
6	2021/10/25 2:03:55 PM	None None None None
7	2021/10/25 2:27:55 PM	No suggestions required
8	2021/10/25 2:31:50 PM	Everything is appreciated by our faculty members.
9	2021/10/25 3:02:08 PM	NO i have no suggestions for improvement, they are doing well
10	2021/10/25 3:49:59 PM	Everything is fine and teachers are supportive i just need to know more about my exam of placement
11	2021/10/25 5:48:22 PM	no suggestion from my side for overall improvement in curriculum
12	2021/10/25 6:07:06 PM	overall system should be improved
13	2021/10/25 6:21:17 PM	Our curriculum is very discipline
14	2021/10/25 8:32:42 PM	Not able to manage both the placements and classes. Please find a solution.
15	2021/10/26 8:17:54 AM	No suggestions particularly
16	2021/10/26 9:17:08 AM	No suggestions from my side its all good
17	2021/10/26 10:20:08 AM	Amazing, Make classes interactive : when you make your class interactive, the student engagement is better and they have less time to be mischievous.
18	2021/10/26 10:36:23 AM	No, sir i have no suggestion about that.
19	2021/10/26 1:06:03 PM	It's fine. Just need to more concern.
20	2021/10/27 9:43:48 AM	More focus should be given on development rather than traditional knowledge.
21	2021/10/27 11:09:09 AM	Please improve the online teaching material
22	2021/10/27 11:14:13 AM	No suggestions everything is fine
23	2021/10/27 11:50:09 AM	
24	2021/10/27 11:51:14 AM	I dont have any suggestions right now to improve because every thing is going good.
25	2021/10/27 11:51:58 AM	Nothing to suggest everything is okk
26	2021/10/27 11:58:59 AM	No suggestions from my side
27	2021/10/27 12:10:30 PM	All teachers are teaching us with good way
28	2021/10/27 12:14:41 PM	Teachers should be more aware regarding the curriculum.
29	2021/10/27 12:34:47 PM	Just give relaxation to the attendance part so that who wants to study can self study for placements
30	2021/10/27 12:50:16 PM	No. Everything is fine.
31	2021/10/27 1:17:30 PM	NO, i don't have Any Suggestions
32	2021/10/27 2:03:16 PM	No suggestions everything is good
33	2021/10/27 2:14:05 PM	No
34	2021/10/28 9:29:35 AM	Teacher should have friendly behave in class time, when they are teaching.
35	2021/10/25 10:53:47 AM	All good nothing improvement required

36	2021/10/25 1:38:20 PM	G	We should discuss more on the real time application of the topics.
37	2021/10/25 1:57:23 PM	G	Overall it's good. Teaching should be more related to placements too.
38	2021/10/25 2:06:11 PM	G	I think everything is fine.
39	2021/10/25 2:12:30 PM	G	Thank you. Hope to see good changes in all aspects. And we want teachers to respond our problems in time.
40	2021/10/25 2:22:49 PM	G	No improvement at all everything is in worst condition
41	2021/10/25 2:25:09 PM	G	Teachers should give 5 minutes of break after every 10 minute of lecture. It will encourage students to focus.
42	2021/10/25 3:01:34 PM	G	as this semester was partial online, the rule of detention should be discarded for sometime.
43	2021/10/25 4:49:15 PM	G	Overall the teaching and syllabus is okay, but an improvement in using English as a mode of instruction in classes would be great.
44	2021/10/25 7:59:40 PM	G	Nothing i m statified
45	2021/10/26 2:55:04 AM	G	Less courses. There's literally no reason for me to have 8 courses in my 7th semester. Some courses feel as though they've been placed merely to fill up the day. There are zero use cases for solar and wind energy and infrastructure development for a cse student in their 7th semester
46	2021/10/26 9:12:52 AM	G	Yes it can be improved
47	2021/10/26 9:19:22 AM	G	Faculty should have proper knowledge their respective subject and there is no need to discipline improvement. Overall , all are good
48	2021/10/26 9:22:23 AM	G	Teachers are doing very well for us
49	2021/10/26 1:08:32 PM	G	Impressed with the teachers
50	2021/10/26 1:11:16 PM	G	We should be given time for self study
51	2021/10/26 1:14:14 PM	G	No suggestions all teachers are really good and very teaches us with full energy.
52	2021/10/26 1:45:41 PM	G	All teacher are good and friendly nature
53	2021/10/26 4:40:57 PM	G	Most of our classes are distributed by the time table so that's why it would be better if we have consistent time table for our classes
54	2021/10/26 5:06:40 PM	G	Classes like PD should be in the last class timings as its hard for students to change from technical to PD and then Technical stuffs again
55	2021/10/26 10:08:51 PM	G	They all are good teachers
56	2021/10/27 9:36:37 AM	G	Management was not good.
57	2021/10/27 9:39:27 AM	G	no suggestions , all good

Respected HOD/Principal,

Greetings!

As per our discussion in reference to **updates and additions to be made to the B.Tech -CSE Curriculum**. Kindly find below a list of Subjects/Topics that can be added, suggested on the basis of market analysis , corporate and business unit preference and requirements.

Skills & Technologies						
DBMS	8	Data Science	15	Net Full Stack	22	Cloud-Azure
Operating System	9	Machine Learning	16	SAP ABAP	23	Cloud-Snowflake
Computer Networking	10	IoT(Internet of Things)	17	Automation Testing / Selenium	24	Database-PL/SQL, GreenPlum, Spark, SQL
Data Structure and Algorithms	11	Artificial Intelligence	18	Business Intelligence Tools	25	Embedded Systems
Compiler Design	12	Python	19	C++	26	ETL
JAVA Full stack	13	Java, JEE	20	CCNA/CCNP	27	RPA-UiPath
Database-PL/SQL	14	Net	21	Cloud-AWS	28	Service Now

These topics/technologies can definitely **serve in increasing the placement opportunities** of our students we would also be able to marginalize our average package for the same. Looking forward to positive confirmation and implementation of the same .

Dear Sir

Greetings of the Day.

One of the premium client of the country GlobalLogic has shown their partner with MMDU for enhancing the skill set of 2023 passing out Engineering / MCA students.
Their suggested curriculum is attached.

I strongly suggest please let us know at least 3 faculty members name in each curriculum wise. If they know the subject is it well and good, if not they will be trained by GlobalLogic corporate team.

This curriculum has to be run internally in the University Level. I am sure it will help the overall grooming.

Please let us know by tomorrow and attach the faculty profiles as well.

Thanks & Regards

Prof.(Dr).Debashish Rath

Course Objectives: By the end of the course, the students will:

1. Learn to develop and auto configure microservice applications using Spring Boot in java
2. Learn to connect data repositories in Spring Boot and use them in applications
3. Learn to create and process web applications using the Thymeleaf library in Spring Boot

List of Practical

1. Install the Eclipse and the Spring Tool Suite (STS) plugin on your systems. Create a Spring Starter project using the Spring Initializer and run it using Eclipse IDE. Examine the main class and pom.xml files.
2. Create REST end points and add Maven dependencies in the project for building the Social Networking API.
3. Declare the Business service classes as well as REST controller classes for users, posts and locations.
4. Write GET methods to return the lists of users, posts and locations.
5. Create the definitions of Users, Posts and Locations in the service classes.
6. Create methods to get a single user, single post and single location by ID in the service and controller classes.
7. Create methods to add, delete and update the users, posts and locations in the service and controller classes.
8. Add the Spring Data JPA dependencies to the pom.xml file in order to use the JPA repository.
9. Perform the JPA CRUD operations for users, locations and posts.
10. Add the entity relationships using spring annotations for the users, posts and location classes.
11. Add the functionalities to search users by first name, last name and search posts by date.
12. Setup the user interface of your application by using the thymeleaf concepts.

Project: Develop a Social Networking REST API using the Spring Boot Framework in Java containing the following classes:

- list of users
- list of locations
- list of posts

Following are the entity-relationships that should be supported:

- a user has a location
- each location could have 1 or more users
- a user could create a post. Hence each user can have one or more posts

Following operations should be supported:

- add, delete and update user details
- add, delete and update location details
- add, delete and update post details
- get a list of users or locations
- get user or location by id
- get list of posts for a particular user

Course Outcome:

The students gain skills to become an enterprise java developer.
