MAHARISHI MARKANDESHWAR (DEEMED TO BE UNIVERSITY)

Mullana - Ambala, Haryana

(Accredited by NAAC with Grade 'A++')

ESTABLISHED UNDER SECTION 3 OF THE
UGC ACT, 1956

INTRODUCTION

Since its inception in 1993, Maharishi Markandeshwar Trust (MMT) has banked upon innovation and passion to make the process of education valuable as well as relevant in sync with global competition. In fact, the Trust has gone out of its way to rope in best practices in the education eco system which is so very evident in the ever-increasing influence and popularity of MM(DU), a leading and vibrant Deemed to be University under MM Trust. MM(DU) is known for its high employability quotient courses, world-class faculty, state-of-the-art infrastructure and larger-than-life success stories of its alumni.

MM(DU) has been the vanguard of every industry-institute engagement. Besides the regular classroom lectures, students also get a chance to take part in workshops and webinars apprising them of real-life business leadership challenges.

What we offer is more than a degree; it is the complete learning experience along with a robust monitoring network and with the best of opportunities, career and personal advancement across different fragments of the Full-Time Programs. Being a part of the lively, pioneering and socially engaged global community of MM(DU), students get to see diversity in all forms. They are able to rise to a culture of collaboration and develop the nerves to deal with the status quo.

About the Founder

A MAN OF POSITIVE CHANGE WHO MADE EDUCATION HIS MISSION FOR LIFE!

Meet the visionary behind MM Institutions – Sh. Tarsem Kumar Garg who spearheaded the education revolution through MM Institutes. It has been an evolving journey for him in last 25 years as he played a key role in enabling the students from small towns script big success stories.

He aspired to empower the students hailing from North India with global education so as to have the best start in their life. It was his idea that the best education and infrastructure should be made available to the youth of tier II and tier III cities in North India. Coming from a humble background himself; Sh. Garg dedicated his life to spread the enthusiasm for higher education and professional courses in small towns and rural areas of the region.

To realise the vision of “Education for all”, he set up the Maharishi Markandeshwar Education Trust (now known as Maharishi Markandeshwar Trust) in 1993. In a short span of less than 3 decades, MM Group of Institutions has grown into one of the most reputed educational groups in the country, which takes pride in its state-of-the-art infrastructure as well as expert faculty. These institutions have widened the horizons of growth and success for thousands of youth and equipped them with a culture of excellence, inclusiveness and social service.

Shri. Tarsem Kumar Garg
Hon'ble Chancellor, MMUs

LIBRARY

A library is a repository of books, magazines, newspapers, and various printed materials. However, in today's digital age, libraries have evolved to embrace technology and provide access to electronic resources such as e-books, audiobooks, online databases, and digital archives. Integration of traditional and digital resources is a unique feature of the library at MMDU ensuring it's students, faculty and staff to have a wide range of materials to explore and learn from.

INDIA'S LARGEST CLINICAL ADVANCED SKILL & SIMULATION CENTRE

Spread in an area of 15000 Sq. Ft., this state-of-the-art Clinical Advanced Skill and Simulation Centre has been set up to train Undergraduate and Post graduate Medical, Nursing and Paramedical students and faculty. Maharishi Markandeshwar (Deemed to be University) has spent nearly Rs. 200 Million to develop this centre as one of the largest & most comprehensive Medical Skill & Simulation facilities.

The idea is to provide real-time experience to students and train them in the skills for handling complex case scenario before actually carrying out the same on the patients. For this, the Skill and Simulation facility has Adult Patient Simulator, Paediatrics and Neonatal Simulator, Infant and Child mannequins in virtual Intensive Care Units (ICU), Paediatric-ICU and Operation Theatre modules.

The Centre also has facilities for advanced training in Laparoscopy, Arthroscopy, Endoscopy, Colonoscopy, Bronchoscopy, Urological procedures, Angiography and Gynaecological Procedures and Ultrasound imaging with the help of most advanced Simulation Trainers.

PROFESSIONAL DEVELOPMENT PROGRAMMES ORGANISED

Professional development programs play a crucial role in enhancing the professional growth of teaching as well as non teaching staff members. These initiatives provide opportunities to staff members to update their knowledge, acquire new skills, and stay abreast of the latest advancements in their respective fields. These initiatives cater to the evolving needs of educators, allowing them to adapt to changing educational trends and technologies. With an aim to achieve these objectives, various Institutes of MM(DU) organise various activities like FDPs, Short Training Programs, Expert Talks etc. In the academic year 21-22 nearly 285 professional development programs have been successfully organised by MM(DU)

**One day workshop
organised by MMIMSR and M. M. College of Pharmacy**

RESEARCH PUBLICATIONS

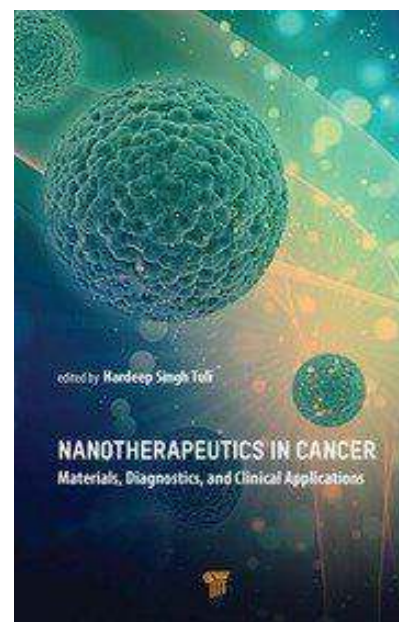

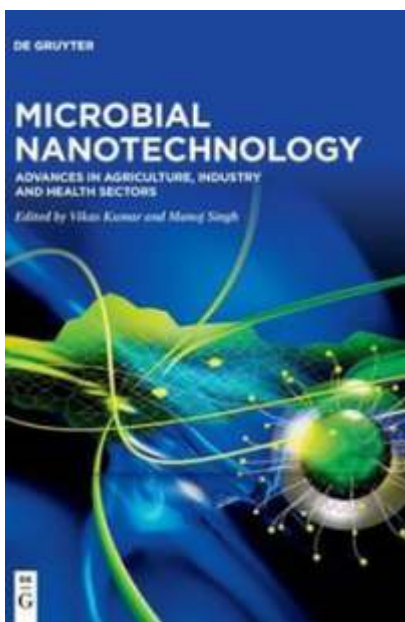

Research publications are scholarly works that present original research findings, theories, methodologies, and critical analyses. They encompass a wide range of formats, including journal articles, conference papers, book chapters, and dissertations. These publications serve as a cornerstone of scientific communication, allowing researchers to share their work with the global academic community.

MM(DU) inclination strongly leans towards research and development of innovative technologies. We are known for our strategic, multi disciplinary research activities in the field of Engineering, Computer Applications, Management, Medical, Pharmacy, Bio-Technology and Dentistry. We have firmly established ourselves in the frontiers of research. MM(DU) nurtures various research activities that offer a plethora of opportunities for research funding in vibrant multidisciplinary environment.

In the Calendar years 2021 and 2022, the following are the numbers of research papers, citations, i-10 index and h-index in Scopus, WoS & PubMed indexed Jounas/Conferences:

Category	2021-22
Publication in Scopus/Wos/Pubmed	1459
i-10 Index (Scopus)	88
i-10 Index (WOS)	57
h-Index (Scopus)	76
h-Index (WOS)	64
Citations (Scopus)	4.42
Citations (WoS)	4.04

MM (DU) provides the state-of-the-art infrastructure and technological inputs to the researchers, staff and students to expand their boundaries of knowledge. More than 101 books and book chapters were published by the faculty members in the year 2021-22.

RESEARCH & DEVELOPMENT

Universities engage in R&D with the primary objectives of expanding knowledge, solving complex problems, and fostering innovation.

About 418 teachers have been awarded financial support for advanced studies/collaborative research, participation in Indian and Overseas Institutions during the year. 238 teachers were provided with financial support to attend conferences/workshops and towards membership for professional bodies. 397 faculty members have undergone Faculty Development Programmes (FDP) including online programmes (Orientation/induction Programmes, Refresher Courses, Short Term Courses etc.) during the academic year. There are more than 24 functional MoUs for faculty exchange, student exchange, academics, Clinical training, internship, on-the-job training, project work & collaboration research.

AWARDS & RECOGNITIONS

More than 80 faculty members have received awards and recognitions for excellence in teaching, student mentoring, professional achievements and academic leadership at State, National & International levels from various Government/Government-recognized agencies. The prominent awards received by the faculty members include International Adroit Researcher Award, Best Innovative Scientist Award, Teaching Excellence Award, National Elite Teacher Award, Bharat Shiksha Gaurav Puraskar, Eminent Engineering Personality Award on the occasion of " 55th ENGINEERSDAY" etc.

STUDENT PROGRESSION

123 Students qualified in State/National/International level examinations (NET/GATE/GPAT/GRE/TPEFL/PLAB/USMLE/Civil Services/Defence/UPSC/State Government examination etc.) during the academic year 2021-22.

**One Day Seminar

CONSULTANCY AND RESEARCH PROJECTS

Consultancy services supported by MM(DU) are an effective means of sharing and applying our wealth of expertise in different areas which have been accumulated by MM(DU) faculty and technical staff over a long period of its establishment. MM(DU) encourages faculty, technicians and students to interact with industry in all possible ways with the spirit to derive mutual benefits. The details of Consultancy during the year 2021-22 are given below:

College / Institute	Consultancy	Amount (INR)
MMCP	27	10782309.00
MMEC	128	9155455.00
MMIM	2	1180000.00
Law	1	354000.00
Total		21471764.00

Research and Development is considered as one of the most essential activity in University leading to creation and dissemination of knowledge. The faculty members of MM(DU) regularly submit research projects for award of grants from external agencies such as DST, DBT, SERB, CSIR, etc. The details of granted projects during the year 2021-22 are given below:

College / Institute	Number of Projects	Amount (in lakhs)
MMEC	17	139.964
DENTAL	3	3.54
MMCN	1	1.18
MMCP	6	94.4
MMIM	4	47.2
MMICT&BM (HM)	2	15
MMICT&BM (MCA)	2	2.36
LAW	3	3.54
MMIPR	1	5.9

PATENT AND COPYRIGHT

Intellectual property rights, including patents and copyrights, are applicable to inventions and creative works produced within universities.

Taking a step ahead in the field of research, faculty members are engaged in achieving a landmark by getting copyrights and patents. The following is the list of Patents/Copyrights awarded during 2021-22 :

CULTURAL EVENTS

Year	Number of Awards in Cultural Activities
2021-22	110

Cultural and sports events serve as vibrant platforms for students to engage, celebrate, and showcase their talents and traditions. These events promote diversity, and foster a sense of unity and pride. Whether it's a festival, concert, art exhibition, or a sports tournament, they offer memorable experiences and create lasting memories for participants and spectators alike.

Cultural events offer a glimpse into the rich tapestry of traditions, customs, and artistic expressions of different communities. They often feature performances of music, dance, theatre, and visual arts, providing a platform for artists to share their creativity and cultural heritage. These events not only entertain but also educate and promote intercultural understanding, fostering appreciation for diverse cultural backgrounds.

Sports events, showcase athletic prowess and competitive spirit. From local tournaments to international championships, sports events bring athletes and fans together, creating an atmosphere of excitement and camaraderie. These events not only highlight physical abilities but also demonstrate the values of teamwork, discipline, and perseverance.

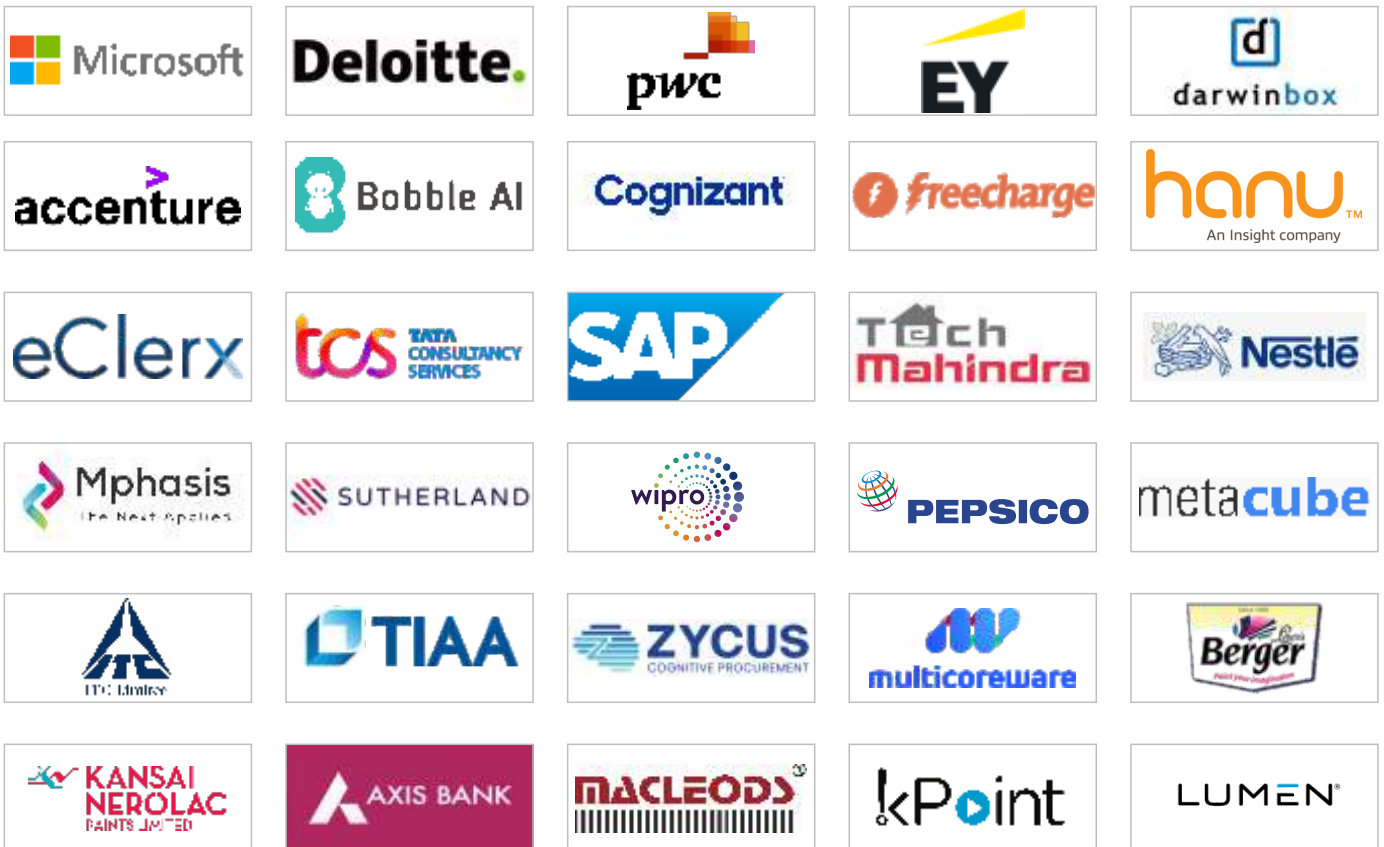

MM(DU), one of the leading universities of North India has always set an example for other academic institutions to follow, whether it is academic field or extra curricular activities.
