Every student at MM (Deemed to be University) receives a login credentials for ERP Portal that they can use to monitor their attendance, fill online examination form, generate admit card as well as to pay fees. The module also enables the faculty to send SMS messages to parents. An online interface was developed to enable faculty, students and researchers to submit publication details and then apply for incentives in line with the research promotion policy of MM (Deemed to be University) .</p>					
15. Multidisciplinary / interdisciplinary					
<p>Multidisciplinary approach plays a crucial role in fostering collaboration across diverse fields of study. MM(DU) focuses and help the students to explore multiple courses. By bringing together insights and methodologies from various disciplines, these approaches enable a comprehensive examination of complex issues, allowing students and researchers to draw upon a range of perspectives to address challenges. MM(DU) helps the students from different backgrounds work together, enriching their understanding and enhancing problem-solving capabilities. This collaborative ethos encourages interdisciplinary dialogue and innovation, ultimately contributing to a more holistic and integrated approach to education and research within academic institutions.</p>

already registered on abc portal with application no. ABC0047001647407574. Dr. Hemant Sethi, Assistant Professor in Computer Science & Engineering Department has been appointed as a Nodal officer for smooth implementation of ABC. The MM(DU) is uploading students' certificates on National Academic Depository (NAD) (digilocker.gov.in) since 2022. The online examination forms of MM(DU) are modified and a field of ABC id is also added in it. Majority of students are aware of ABC facility and have already Signed up for Meri Pehchaan on <https://digilocker.meripehchaan.gov.in> to create academic bank of credit account.

17.Skill development:

MM(DU) engages in various skill development activities to equip students with the practical competencies needed for their future careers. These activities include workshops, seminars, internships, and hands-on projects tailored to specific fields of study. Students in the MM(DU) skill centre have learned and acquired a variety of technical skills in: IOT Foundation Communication and Standard Interfaces Industrial Connectivity for IIOT Data Analytics and IIOT Machine Learning for IIOT Artificial Intelligence. Additionally, MM(DU) offers co-curricular programs, where students can further develop skills outside the classroom. Through these skill development activities, MM(DU) prepares students to succeed in their chosen careers and adapt to the demands of the rapidly evolving job market.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Keeping in view the New Education Policy-2020, MM(DU) has also focused on imparting teaching of Indian languages like Hindi in various courses. Students will now learn the modern curriculum keeping industry viewpoint along with Indian languages, in view.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

MM(DU) lays emphasis on Outcome Based Education (OBE) in order to guarantee that students acquire the practical skills and abilities required for their future employment. With OBE, the MM(DU) has established explicit learning objectives and has evaluated students on how well they meet these objectives. This strategy prioritizes quantifiable outcomes over conventional input-focused techniques. By aligning curriculum with industry needs and fostering critical thinking, problem-solving, and collaboration, MM(DU) prepare students to excel in diverse professional environments. In the end, OBE emphasizes how education may prepare students for

opportunities and difficulties; they will face in the real world by making it more relevant and effective.

20.Distance education/online education:

In the year 2020, MM(DU) has established Centre for Distance and Online Education (CDOE) with an aim to promote the learners to acquire a degree from anywhere on the globe using Internet without compromising the quality of education and its outcomes. CDOE has started five UGC entitled UG/PG Online programmes (MBA, MSc Mathematics, BBA, BCA, BCOM). Further, all the UG online programmes are designed with multiple exit options as per the guidelines of National Education Policy (NEP). These programmes are designed with flexible and modern curriculum to meet the global need of Industry standards. To cater to the multiple needs of aspirants, MM(DU) uses technology enabled Learning Management System (LMS) to impart learner centric quality education. These academic programmes serve the ideal up-skilling for both beginner and experienced. LMS support anytime anywhere learning and recreate classroom environment. Students can learn at their own pace from the comfort of their home. E-learning material includes UGC four quadrants approach for maximum learner engagement followed by AI based Online Proctored examinations. CDOE provides professional mentorship for students to cultivate future business leaders. Dedicated mentors are allocated to each student for prompt reply of their grievances.

CURRICULAR ASPECTS

1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global health care needs which are visible in Programme Outcomes (POs), and Course Outcomes (COs) offered by the University, as per the norms of the Regulatory Bodies.

Curriculum for an Academic Program is the most critical parameter for ensuring appropriate Learning Outcomes in terms of knowledge, skills, attitude and behaviour. MM(DU) offers 162 UG, PG, Diploma and Doctoral Programs. More than 60% Programs fall under the domain

of Health Sciences including MBBS, MD/MS, DM/ MCh., BSc/ MSc., BDS/MDS, BSc/MSc (Nursing)/P.B.B.Sc. (Nursing), BPT/ MPT, B.Pharma, M.Pharma, Pharma D and Pharma D (PB), Journalism and Mass Communication etc. Other Academic Programs include B.Tech/ M.Tech., BSc/MSc (Physical and Life Sciences, Hospitality, Nutrition & Dietetics), BCom, BBA/MBA, BCA/MCA, BHM&CT, Integrated BBA-LLB, Integrated B.Com-LLB, Integrated BA-LLB, LLM, BSc/MSc (Agriculture) etc. Almost all of these programs fall under the category of 'Professional' and 'Vocational' Programs leading to placements or self-employment.

All program curricula are scientifically designed covering Program Education Objectives, Course Objectives & Outcomes matching with the relevant graduate attributes within the boundaries laid down by the respective Regulatory bodies. Regulatory Councils of NMC, DCI, INC, PCI and BCI prescribe the complete curricula with comprehensive evaluation and assessment methodologies for various programs under their domain, which are further fortified by MM(DU) with Value Added Courses in the emerging areas.

Regulatory Councils such as AICTE, UGC, etc. provide model curricula for various courses providing autonomy to the Universities to design their own curricula keeping in view the local, regional, national and global prospective with health care needs.

1.1.3 - Provide a description of courses with focus on competency/ employability/ entrepreneurship/ skill-development offered either by the University or in collaboration with partner Institutions / Industries during the year

Majority of the programmes offered by the MM(DU) fall under the category of 'Professional' & 'Vocational' Programs having complete focus on employability as well as entrepreneurship. The programs are broadly classified in four categories namely Foundation Courses, Core Courses, Specialized Courses and Inter-disciplinary Courses. All lab/workshop courses focus on skill development. In MBBS, all courses offered in second year onwards i.e. Pathology, Pharmacology, Micro-Biology, Forensic Medicine, Ophthalmology, ENT, Community Medicine, General Medicine, General Surgery, Paediatrics and Obstetrics & Gynaecology completely focus on competency and employability. MD/MS/DM/MCh Programs are totally based on skill development with term end examination only once at the end of third year. Same is the case with all courses offered in BDS/ MDS, BPT/MPT, BSc/MSc - Nursing, B.Pharma/M.Pharma, Pharma D Programs. In B.Tech / M.Tech Programs all Courses other than foundation courses, completely focus on competency/ employability/skill development in the respective domains. MM(DU) has signed MOUs with MERCK, Service-Now, IIT Roorkee, Infosys etc. to train and advance the skills of students in their respective fields. Some Centres of Excellence have also been established in collaboration with reputed Industries namely BOSCH, Google, CISCO, Texas Instruments, National Instruments, etc. Centre for Skills and Entrepreneurship Development (CSED) has also been established in which curriculum-based advanced courses in the respective domains are offered apart from Value Added Courses to enhance the employability skills of the students.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Gender, Environment and Sustainability, Human Values, Health Determinants, Right to Health Issues, Emerging demographic changes and Professional Ethics in the curricula

MM(DU) is a predominantly Health Sciences focused Deemed to be University offering more than 60% Programs in the fields of Medicine, Dentistry, Nursing, Physiotherapy, Pharmacy, etc. Health Determinants and Right to Health Issues are essentially covered through Community Postings of the students as a part of their curriculum. Students look for better and economical solutions about the real-life problems and sufferings of the people as part of their learning.

Gender Champions are identified among the students who work for

creating an enabling environment for equal opportunities for boys & girls. MM(DU) has nearly 45% of Women Students and more than 50% of Women Faculty on its roll. Various organizing teams consist of both male and female students to respect the dignity of fellow colleagues without any gender bias. Activities organized by the Women Study Centre helps in sensitising the concept of women's equality with emphasis on women empowerment. MM(DU) has five units of NSS enrolling about 500 male & female students and one NCC unit for girls from different disciplines.

MM(DU) has established a Value Education Cell with the following objectives:

- To bring out humaneness in the students.
- To enrich the character; thus providing moral leadership on courage and intellectual integrity.
- To curb the intensifying criminal instincts, drug addiction, anxiety, rage, suicidal tendencies and stress among the students.
- To coordinate with the NGO's for the promotion of Human Values.

2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods are used for enhancing learning experiences by

The curricula of various programs have been designed to focus on student-centric learning. To cultivate students' leadership and organizational learning skills, student-centric methods such as seminars, case studies, industrial/field projects, live-case discussions, educational trips, expert talks, practice-based workshops, experiential learning, brainstorming activities, roleplays, group discussions, etc. are adopted. Various curricular and co-curricular activities are organized through students' committees and councils to hone their latent skills on a routine basis. Assignments and project-based learning are an integral part of the teaching-learning process. Language classes are arranged for the students including the international students to cater to their needs and to acclimatize them to the medium of instruction of the courses. Also, IT-based teaching platforms like SWAYAM, NPTEL, MOOCs, etc. are used. Regular advanced training programs and exposure are given to the medical students at the prestigious medical institutes to facilitate the evidence-based approach in patient management. The MM(DU) allows students inter-disciplinary immersion with more than 1400 interdisciplinary and value added courses in different programs.

2.6 - Student Performance and Learning Outcomes

2.6.1 - The Institution has stated learning outcomes /graduate attributes as per the provisions of Regulatory Bodies which are integrated into the assessment process and widely publicized through the website and other documents Provide details of the stated learning outcomes for each programme / course as stipulated by the appropriate Regulatory Body and the methods followed by the Institution for assessment of the same within 100 - 200 words

The curricular philosophy of the Institute is realized by defining programme/course specific outcomes and learning outcomes that bring out the desired competencies expected in programme with the aim to have defined benefits to various stakeholders. Each program has identified well-defined Program Educational Objectives (PEO) which are reflected in the Program Outcomes (PO) and Program Specific Outcomes (PSO) which in turn are reflected in the course outcomes of curriculum of each course. For the programs which fall under various regulatory bodies like AICTE, NMC, DCI, PCI, INC, BCI etc., the outcomes are mapped with the outcomes identified by the respective body. In respect of other programs, the guidelines issued by UGC are followed. Learning outcomes: Learning outcomes are concise and clearly stated, specific enough to be observable and measurable and thus capable of being assessed. At one end, the outcomes are broad enough so as not to limit flexibility in achieving and at the same time, they are realistic enough according to available time and resources. The learning outcomes are widely publicized through the course outcomes of each course at the website of the institution

Deemed to be University.

RESEARCH, INNOVATIONS AND EXTENSION

3.1 - Promotion of Research and Facilities

3.1.1 - The Institution has a well-defined Research promotion policy and the same is uploaded on the Institutional website

MM(DU) has a well-defined Research Promotion Policy (RPP) and the same is uploaded on the website which can be accessed at <https://nc.mmudev.com/pdf/c3/3-1/3-1-1/research-promotionpolicy-2021-22.pdf>. The Research Promotion Policy gives information on the promotional activities of this Deemed to be University which is guided and monitored by the Research and Development Cell comprising of members from different Institutes, who have significant research credentials in terms of publications and citations. MM (DU) has earmarked 3.5% of the total tuition fees for research. The broad objectives of the Research Promotion Policy of the MM(DU) is to formulate a road map to achieve excellence in research, create a population of highly trained research personnel and develop a strong research culture with integrity and scientific ethics. The Research Promotion Policy has inbuilt provisions to provide for incentives in different forms. In order to facilitate the faculty and the students in research, Central Research Labs have been set up with investment of Crores of Rupees. The Research and Development cell advises the faculty to achieve the said objectives. The team also organizes meetings with scientists from different organizations to apprise the young faculty members of the funding opportunities from Government source.

3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and entrepreneurship with an Incubation centre, entrepreneurship cell

MM(DU) actively supports innovation and other initiatives for generation and transfer of knowledge. Centre for Skills and Entrepreneurship Development (CSED) has been established in which curriculum-based advanced courses in the respective domains are offered apart from Value Added Courses to enhance the employability skills of the students. Incubation Centre is a platform committed to provide all the facilities required for the startup communities. Our incubation center is open for all of our students as well as faculty members. They get the facility of state-of-the-art labs, computer labs and instant mentoring support from our well-educated and experienced faculty. At our incubation center, we provide mentoring support to all incubates in terms of identification of opportunities, brainstorming, prototyping, making products and commercialization. MM(DU) is having Centres of Excellence like BOSCH, GOOGLE and CISCO etc. with aims to bridge the gap between industry and academia by incorporating global industrial practice and technologies into the academic curriculum. Students get exposure to the world-class infrastructure with state-of-the-art technologies, equipment, training kits, hardware, software and teaching aids with excellent faculty trained by industry experts.

3.5 - Consultancy

3.5.1 - Institution has a policy on IPR and consultancy including revenue sharing between the Institution and the individual, besides a training cum capacity building programme for teachers, students and staff for undertaking consultancy

MM(DU) has a well-defined policy approved by the Executive Council to undertake consultancy initiatives, research innovations, transfer of technology, and revenue sharing as described below:

PATENTS/COPYRIGHTS: The cost of filing/ publishing Patent by faculty member(s)/Research Scholar(s)/Student(s) is borne by the MM(DU) with the condition that all patent rights will belong to the MM(DU). In case of Technology Transfer for commercial purpose, the royalty earned is shared between MM(DU) and Inventor(s) on pre and mutually agreed terms and conditions with Inventor(s)' share not exceeding 50%. MM(DU) pays a cash incentive of Rs.10000.00 for any Patent awarded to the concerned faculty member(s)/Research Scholar(s)/Student(s). MM(DU) has signed MOA with National Research and Development Corporation (NRDC) for the commercialization of the technologies developed by the inventors of MM(DU).

CONSULTANCY: Well-defined consultancy rules are there for sharing of revenue raised from consultancy. After obtaining the formal permission from Head of the Institution/Department, the Principal Investigator raises the advance bill for the job, if required. The amount claimed for consultancy is collected in the form of a bank draft/cheque in the name of the concerned Institution or in cash under proper receipt. The revenue raised is shared between MM(DU) and Researchers and others in 30:70 ratio out of net benefit.

3.6.3 - Number of awards and recognitions received for extension and outreach activities from Government / other recognized bodies during the year

The community departments of Medical and Dental Institutes are regularly reaching out to the local community by organizing health check-up and awareness camps. Similarly, the nursing, agriculture, pharmacy and physiotherapy students also take part in awareness camps organized for the nearby areas. Legal Aid camps are also organized by the Department of Law. The activities undertaken by NSS/ NCC Unit include:

- Painting, Drawing, Acting, Dancing, etc. to depict social issues for children
- Physical activities such as Yoga, Sports, Games, etc. for Middle School students. They are also taught to express their views in the form of Essays, Poetries, etc.
- Awareness about old age health issues such as Blood Pressure, Blood Sugar, joint pains, etc
- Cleanliness drive in the village by the student volunteers.

The NSS Units organize Blood Donation Camps regularly in collaboration with the Indian Red Cross Society, Ambala. During the year, the NSS Unit of the MM(DU) has organized 187 extension and outreach activities with the participation of more than 7000 students of the institutions of Engineering, Medical Sciences, Dental Sciences, Physiotherapy, Nursing, Pharmacy, Law, etc. Some of the faculty members of dental college of MM(DU) have been awarded the appreciation award for imparting dental health education in various schools in the vicinity. In the same context, faculty of MM College of Nursing has also been appreciated by Sarpanch of the nearby villages for their outstanding contribution to organizing health camps.

MM(DU) is fully aware of its social responsibility towards its neighbourhood community and has been taking up a number of activities through its various units. Faculty of Medical Sciences is actively engaged in providing comprehensive health care services to local population in terms of promotive, preventive, curative and rehabilitative measures. Thus, regular health awareness, cataract screening and treatment camps, family planning camps and dental care

camps are organized frequently where faculty and students participate with great zeal and enthusiasm. Educational talks, role plays, and demonstrations are conducted during these sessions to make the public aware about the common health problems and to motivate them for adopting healthy life style. NSS units of MM(DU) consist of 500 enthusiastic volunteers belonging to various disciplines. They work on a diverse range of social issues including health care, blood donation, health awareness, hygiene and cleanliness drive, literacy drive, environmental issues, socio-economic development issues, etc. The Blood Donation Camp is organized by NSS units of MM(DU) in collaboration with the Red Cross Society. This event has always been a huge success thus saving the lives of thousands every year. It attracts a large number of volunteers and other students willing to donate blood. MM(DU) has incurred a sum of nearly Rs Twenty Crores towards the ISR activities in the neighbourhood community during the last year.

4.2 - Clinical, Equipment and Laboratory Learning Resources

4.2.1 - Teaching Hospital/s, Equipments, Laboratory and clinical teaching-learning facilities including equipment as per the norms of the respective Regulatory Bodies

Started in the year 2003 with the course of MBBS, the M. M. Institute of Medical Sciences & Research has grown continuously and culminated as one of the best Institutes in Northern India and country as well, well equipped with state-of-the-art facilities. The Institute has a well-equipped education, communication and media centre to facilitate conduct of advanced presentation. The College has been approved by National Medical Commission for undergraduate course and post graduate courses in 21 disciplines and Super Speciality courses in 4 disciplines. Ph D programmes are also being run in five non-clinical disciplines. To fulfil the commitment of providing quality education, the institute has upgraded its Simulation lab with high fidelity mannequins like SIM Man 3G, Angiography mentor, Laparoscopic Surgery Mentor, Advanced Obstetrics mannequins, Nursing Anne Mannequin, Virtual dissection, etc. Students are trained in the simulated environment which helps them not only to learn academics but also develop clinical skills and ethics. The Central Clinical laboratory in the Hospital is fully automated with equipment like Advanced Autoanalyzers, Vitek automated culture and sensitivity machine, Back for rapid culture and diagnosis of tuberculosis. VRDL lab and Molecular Biology Lab for molecular and gene studies is also functional in the institute. Central Laboratory, Radio diagnosis, Anaesthesia, Eye, ENT and Basic departments are well equipped for the practical training of students in various Paramedical courses so that they can work as capable and qualified Paramedical staff.

4.2.2 - Describe the adequacy of both outpatients and inpatients in the teaching hospital vis-a-vis the number of students trained and programmes offered (based on HIMS / EMR)

Most important aspect of the teaching in a Medical College is practical training and teaching and for that we have more than adequate Clinical material in our attached 1040 Bedded state-of-the-art multi-Speciality and 200 bedded Super-Specialty Hospitals. OPD and IPD clinical material in the Teaching Hospital is adequate for the teaching and practical training of both Undergraduate and Postgraduate students rather more than what is required as per the norms of National Medical Commission (NMC). Number of patients treated in the teaching hospital during the year is as given below:

- OPD - 550012
- IPD - 54309

Following are the details of students trained in various Courses for the Year 2023-24:

- MBBS - 200, MD- 105, MS - 44, DM - 4, M.Ch- 4, M.Sc- 75, B.Sc-345, Diploma- 15

As mentioned above, the clinical material available is fully sufficient for the training of the undergraduate and postgraduate students teaching and meets with the requirement of National Medical Commission (NMC). It may also be mentioned that all the data is as per HIMS system of the hospital. The clinical material is also inspected many times by National Medical Commission (NMC) and monthly update of HIMS data clinical material is done monthly on the College website as per the regulations of National Medical Commission (NMC).

4.3 - Library as a Learning Resource

4.3.1 - Library is automated using Integrated Library Management System (ILMS)

MM(DU) has well-stocked and technology-embedded libraries covering various domains of higher education with specific emphasis on quality in higher education and accreditation. Libraries are completely automated with barcodes for computerized circulation and OPAC through Intranet. MM(DU) library System is embellished with over 2.29 lac books and nearly 700 print journals. The MM(DU) Library system is one of the well established as well as uniquely structured systems comprising multidisciplinary centralized libraries and departmental libraries. More than 22000 e-journals and other academic materials are accessible through online databases subscribed by the MM(DU) and open access e-resources. The entire university is a huge LAN based network, all system connects with more than 4Gbps bandwidth speed. Software for University Libraries (SOUL), a state-of-the-art integrated library management software designed and developed by the INFLIBNET is being used to automate all housekeeping operations in the library. MM(DU) libraries commenced their automation using SOUL in 2003 with barcode technology. Central Library is also having the 'D-Space' Digital Library Software which is an open source software, installed to organize, manage and provide an access to the institutional repositories and other digital collection of the library. It was installed in 2018 under the drive of digitization of libraries with following features: Barcode and QR technology Integration of Library Services. E-Library facilities and Remote Access availability of eResources. Central Library and Institutional Libraries are equipped with 140 nos. of Computers, Internet and Wi-Fi facility along with Open Source direct accessible PDF for the students of MM(DU).

4.4.2 - Institution frequently updates its computer availability for students and IT facilities including Wi-Fi

There are more than 2500 computers/laptops available with latest configuration of Apple, DELL, HP, ACER (Intel Core i7, Core i5, Core i3), Servers & SAN Storage, surveillance system and networking devices (switches, routers).

The MM(DU) has proprietary software worth nearly Rs. Four crores including Microsoft volume license, MATLAB 7.0, LabVIEW, University Management Suite, Pro-Engineer CAD/CAM/CAR, PSCADX4, HIS, LIS,

DMS,PAC, Google Chrome, etc.

There are 188 IT enabled classrooms and 55 computer labs. Over 4700+ LAN Points were augmented across the computer labs and office complex; the campus backbone network was upgraded from 100 Mbps to 1 Gig backbone. Nearly 1000 Wi-Fi Network points are deployed across the campus. The administrative departments including Accounts, Purchase, Examination, Hospital administration, etc. are fully equipped with ERP system.

MM (DU) has world-class IT infrastructure which is maintained by IT Maintenance team (UIITM). There are 10000 wired nodes and 10000 WiFi accounts with more than 50 servers. This team is also responsible for the maintenance of computer hardware.

Details of the IT infrastructure are as under:

- More than 4 Gbps of bandwidth for Internet.
- Highly efficient and secure HP Blade Data Center with HP c7000 blade chassis having a capacity to cater 8 full height blades.
- 23+ KM fiber backbone.
- Cisco catalyst 6880-X core chassis switch with capacity to support up to 10G/40G/100G Networks for scalability and Dell N4064 (core switch).
- Fully functional Biometric attendance system for staff and students.
- 300 PC of Dell OPTiplex 7000 (Core i7) in the year 2024.
- Campus is fully covered with more than 1500 CCTV Cameras.

4.4.4 - Facilities for e-content development such as Media centre, audio visual centre, Lecture Capturing System (LCS), etc.

The MM(DU) has always encouraged its faculty members to make use of e-resources for teaching learning process. The libraries of the MM(DU) are equipped with a large number of CDs/DVDs and other e-resources. More than 2.32 lakh e-books, 22000 e-journals and other academic materials are accessible through online databases subscribed by the MM(DU) and open access e-resources. Our library is providing remote access to various databases to users with the help of Knimbus.

The classrooms of all the departments are ICT enabled and consist of provisions of LCD Projector. One classroom of each Institute is equipped with Lecture Capturing System. All the constituent Institutes also have seminar halls with LCD projectors. The entire MM(DU) is a huge LAN based network with more than 4Gbps bandwidth speed.

Facilities have also been provided for development of the e-content. The lectures of faculty members can be captured using smart board facility in the lecture halls of all the constituent Institutes of the MM(DU). The MM(DU) has a Media Center with up-to-date equipment for audio and video recording devices and editing software, as well as skilled staff to assist faculty members. The center fosters interdisciplinary cooperation, communication, and learning. Further, the MM(DU) is having an MOU with TV News Channel 'Khabrein Abhi Tak' (KAT) for using their recording facility/Media centre at Chandigarh. The faculty members visit the centre for their lecture recording and are further assisted by their technical staff members in recording, editing, etc.

4.5.2 - There are established systems and processes for maintaining physical and academic support facilities: (laboratory, library, sports facilities, computers, classrooms, etc.)

All the physical and academic support facilities of the MM(DU) are regulated by different committees. The MM(DU) has spent more than 32 Crore rupees for maintenance of physical facilities and academic support facilities during the last year.

The Instruments/Equipments are maintained by the University Scientific Instrumentation Center (USIC) especially which are placed as central facility. However, the maintenance of equipment in any department is the responsibility of respective departmental Heads who are provided with imprest money for small repairs of the instruments. The equipment is first inspected by technicians of the USIC and if it is beyond repair at the local level, the

manufacturer/supplier is contacted through the USIC Coordinator. The USIC Coordinator along with its staff also takes care of the maintenance of hospital equipments, photocopiers, ACs and other sophisticated equipments by annual maintenance contract.

There are binding sections to take care of the wear and tear of books and other documents in the library and other offices. MM (DU) has world-class IT infrastructure which is maintained by IT Maintenance team (UIITM). There are 10000 wired nodes and 10000 WiFi accounts with more than 50 servers. This team is also responsible for the maintenance of computer hardware.

Maintenance of all the sports infrastructure is the responsibility of the office of Dean Students Welfare (DSW). DSW office also looks after the maintenance of the auditorium and student activity center.

5.4 - Alumni Engagement

5.4.1 - The Alumni Association/Chapter (registered and functional) has contributed significantly to the development of the Institution through financial and other support services during the year

At MM (Deemed to be University), there is a strong belief that the Alumni are the goodwill ambassadors of the Institute. The MM(DU) has registered Maharishi Markandeshwar Alumni Welfare Society vide Memo No. 2020-08-004920. We at MM(DU) aims at promoting and encouraging cordial and fruitful relations amongst the members of the Alumni Association and strive for mutual growth, achievement and advancement in various fields.

The MM(DU) also considers its alumni's feedback on various academic, infrastructural and co-curricular activities. Their regular feedback generates insights on how to improve educational standard and institutional quality. Exclusive Alumni Virtual Space through a dedicated portal is also being actively used.

Mission and Objectives of the MM(DU) Alumni Association:

- To help each other in social and professional networking in order to create job opportunities, entrepreneurial opportunities and professional contacts.
- To serve the community and the nation.
- To imbibe and demonstrate MM(DU) values of socially and ecologically responsible professional and personal actions.

The alumni contributes to the MM(DU) through many ways which include:

- Participation in Alumni meets conducted every year
- Alumni have provided a number of jobs, internships to the students
- Books are donated by alumni to the library
- A number of alumni have visited the campus and given lectures both on technical and general topics
- Alumni are also associated as members of curriculum committees of the departments/Institutes and Boards of Studies

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The Institution has clearly stated Vision and Mission which are reflected in its academic and administrative governance

Vision

To prepare students with an integrated technology-oriented education for a better career and make them worthy citizens of a global society.

Mission

To develop better than the best professionals for the economic development of the country.

The Vice-Chancellor with the support of other academic functionaries governs this Deemed to be University towards the fulfillment of vision, mission and goals of the MM(DU) and leads the faculty and other academic staff at all levels as per the long term and short term strategic plans.

The Principals/Directors/Deans ensure the compliance of academic and administrative processes and procedures along with the continual improvements through regular monitoring by IQAC. The faculty members are involved in developing and implementing the system at various levels. The faculty members are nominated in various statutory bodies and committees of Institutions as per the UGC regulations for decision making such as syllabi revision, the introduction of new courses, examinations, research, admission process, internship, placements, etc.

Further, at the Institutional/Departmental level, faculty provide their input on academics, administration, research, student issues in departmental meetings conducted regularly so that the interests of the students are taken care of. Staff members and students of various Institutes/ Departments also have a participative role in Sexual Harassment Committee/Internal Complaint Committee, Anti-Ragging Committee, Hostel Committee, Library Committee, Cultural Committee, IQAC, Grievance Redressal Committee, etc.

6.1.2 - Effective leadership is reflected in various Institutional practices such as decentralization and participative management etc.

The MM (Deemed to be University) promotes a culture of participative management through delegation of authority which can be witnessed in various operational levels. Staff members and students of various Institutes/departments have a participative role in Sexual

Harassment Committee/Internal Complaint Committee, Anti-Ragging Committee, Hostel Committee, Library Committee, Cultural Committee, Internal Quality Assurance Cell, Grievance Redressal Committee, etc.

Case Study - Introduction of new courses and Curriculum Revision

The MM (Deemed to be University) follows a systematic process in the design and development of the curriculum. The statutory bodies of the MM(DU) such as the Academic Council and the respective Board of Studies with external experts from outside regularly review the curriculum in the academic bodies of the Institution Deemed to be University and provide their advice for bringing improvement in syllabi of various courses, bringing latest trends in their subjects. The process of curriculum revision is an example of decentralized and participatory management as due consideration is given to feedback and suggestions received from different stakeholders.

The curriculum prepared by the Institutes/Departments after several meetings at different levels are placed before the respective Board of Studies having external experts from academia and industry, for its consideration; and

Recommendations of concerned Board of Studies are placed before the Academic Council.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic plan is effectively deployed

The Strategic Plan of the MM(DU) builds on the foundation of quality and value-based education as the basis for excellence in education. The MM(DU) prepares prospective plans for a period of 5 years. In the strategic plan 2020, the MM(DU) had laid stress on some vital performance indicators like research output, internationalization, new and advanced programs, the establishment of Centers of Excellence, Green Campus, Rankings and Accreditation, etc. It was observed that most of the domains of projected plan were achieved

and hence to accelerate the future growth of the Institution Deemed to be University a new perspective plan has been adopted. The strategic plan 2025 focuses on strengthening the already identified focus areas and further some new key areas have been identified in line with the Vision of the MM(DU). The MM(DU) has defined following major components/key areas in order to move from good to excellent in various activities through next five years.

- Academic Excellence with focus on research and innovations
- Talent acquisition and retention
- National and International Collaborations
- Advanced infrastructure and upgradation/modernization of laboratories
- Industry-Academia linkage and outcome
- Alumni Engagements and Interaction
- Strengthening Patient-care Initiatives
- Entrepreneurship and consultancy Initiatives
- Placements and Career Opportunities
- Extension Activities with a special focus on Capacity Building Centers of Excellence

It is ensured that the set targets are achieved through an accountability process comprising of review, evaluation, reporting and, where considered necessary, replanning.

6.2.2 - Effectiveness and efficiency of functioning of the Institutional bodies as evidenced by policies, administrative setup, appointment and service rules, procedures etc.

The MM(DU) has a well-defined organizational structure and decision making processes. The Vice-Chancellor carries out academic administration and management of the MM(DU) through well-established bodies. Following authorities of the MM(DU) provide a policy framework for implementation of its vision and mission:

1. **Executive Council:** It is the apex decision-making body in respect of every matter including administrative affairs, academic, financial, development matters, etc.

2. **Academic Council:** It is the principal academic body and it exercises control over the academic affairs. Accordingly, it maintains the standards of teaching, research and training, approval of syllabi, the introduction of new courses, coordination of the research activities, the appointment of Paper-setters/Examiners, examination reforms by reviewing of examination system and policy from time to time.

3. **Finance Committee:** The Finance Committee is responsible for the overall financial planning. It examines the annual accounts and submits the Audited Report and Annual budget to the Executive Council for approval.

4. **Board of Studies:** All the matters relating to the curricula of various courses of the respective Department/Institution, the appointment of Paper setters/ Examiners, Ph.D registration with approval of topic and appointment of supervisor as recommended by the Research Advisory Committee and other academic issues taken by the Departments/Institutes in their meetings of the respective Board of Studies and forwarded to Academic Council for approval.

6.3.5 - Institution has Performance Appraisal System for teaching and non-teaching staff

MM (DU) has fully developed Annual Self-Assessment System for the Performance Appraisal of teaching and non-teaching staff. Every teaching staff member is asked to fill the Online Performance Based Appraisal Report at the end of every academic session. The appraisal system covers all the aspects of academic, administrative and research activities. Various parameters of the appraisal include, Teaching Assignment; Mentoring; Research Publications; Research Project; Consultancy; Award/Recognition; Organizing Events; contribution in the growth of the institution; etc. The proforma filled by the Faculty Member is checked and verified by the Head of Department/ Principal. Every Principal then sends his/her report to a Central Committee. The committee verifies the information and sends its final report to HR department for further processing. Appraisal reports evaluated through PBAS of faculty members are taken into consideration for their promotion under Career Advancement Scheme (CAS).

There is an Annual Performance Appraisal system for non-teaching staff, as well. The various assessment parameters are: Punctuality; Ability to learn new things; work independently and in groups; to complete the Work in Time; interpersonal relationship with other Colleagues; Perfection in day-to-day working etc. This evaluation is also used at the time of promotion of non-teaching staff members.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institutional strategies for mobilisation of funds and the optimal utilization of resources

The MM(DU) is not getting any grant-in-aid from any of the government organization and it is wholly dependent upon their own financial resources i.e. tuition fee, other academic fees, hospital receipts, funds generated through consultancy and interest accrued on the investments made by the MM(DU) institutions. In addition to

these resources, mobilisation is also carried out by contributions from the alumni, providing infrastructure for the conduct of entrance tests by government/non-government agencies, generation of electricity from rooftop solar power plants and sponsorships earned by the faculty/ Institution for organizing conferences/ seminars/ workshops, etc. The institutes also receive funds for Research Projects and partial grants to assist faculty conferences/seminars participation, etc. These grants are utilized by the institutions solely for which these are sanctioned and final utilization certificate(s), duly signed by the Finance Officer and Chartered Accountant, are sent to the sanctioning authority after completion of the projects.

The Budget Estimates of the MM(DU) and its Constituent Institutes are prepared prior to the Financial Year, which is further got approved by its Executive Council on the recommendations of the Finance Committee. After the approval of the Budget Estimates the Institutes carry out their expenditure most economically out of the revenue receipts of the concerned institutes by following the due process as per codal rules of the MM(DU) and deficit, if any, is met by raising term loans from the government approved financial institutions and Maharishi Markandeshwar Trust.

6.5 - Internal Quality Assurance System

6.5.1 - Institution has a streamlined Internal Quality Assurance Mechanism

MM(DU) has a functional Internal Quality Assurance Cell (IQAC), constituted in accordance with the NAAC guidelines. Currently the IQAC is having Vice-Chancellor as the Chairman of the IQAC with representation from students, faculty, management of MM (DU), parents, alumni, local community, industry and academicians from other reputed universities. A senior faculty member has been appointed as Director of IQAC. The mechanism, primary functions and activities of IQAC are described as follows:

Academic Audit: IQAC conducts an academic audit of all of its constituent institutes/departments on regular basis twice a year. The audit process is conducted by two academicians of other departments/institutes with one representative from IQAC cell.

Administrative Audit: MM(DU) has a well-defined mechanism for administrative audit of academic, examination and accounts sections of the MM(DU) every year. Administrative audits are conducted at two levels; internal and external. In internal audits, the inventories of laboratories and libraries are verified at the end of the academic year and necessary corrective measures are taken. In the external audit, the offices of the Academic, Administrative, Examination, Establishment, Accounts branch etc. are audited by external experts and necessary corrective measures are taken based on their observations.

Feedback from Stakeholders: IQAC is actively involved in collection

and analysis of feedback collected from various stakeholders of the MM(DU) like students, faculty, alumni, professionals, employers, etc. and action taken reports are prepared.

Activities conducted by IQAC: IQAC organizes various quality-related seminars, conferences/workshops for faculty and students at regular intervals.

6.5.3 - Impact analysis of the various initiatives carried out and used for quality improvement during the year

IQAC monitors different quality initiatives as listed below:

Student performance, Teaching Learning, Assessment process and learning outcomes: These parameters are monitored mainly through the academic audits. The reports are shared with concerned HoDs and the compliance reports submitted by them are discussed.

Learning outcomes of students have been enhanced through the implementation of the Choice Based Credit System/Elective course. The curriculum is updated from time to time to keep the same as most relevant and as per the requirements of the recruiters.

Feedback System: All the constituent institutions have a well-defined system for obtaining the feedback from all the stakeholders. The findings of the feedback are taken up for deliberations and follow up action at various levels.

Research and Development: IQAC has taken several initiatives like implementation of research policy, enhancement of research facilities, incentives to researchers, seed money grant, providing travel grant for attending conferences/seminars and paper presentations.

Administrative Audit: It is conducted at internal and external level. In internal audit, the inventories of laboratories and libraries are verified at the end of the session. In external audit, various offices of Academic, Administrative, Examination, etc. are audited by external experts and necessary corrective actions are taken based on their observations.

Participation in various rankings and ratings at national and international level and analysing the performance of the MM(DU) every year.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the institution for the promotion of gender equity during the year

MM(DU) promotes gender equity in letter and spirit by creating opportunities for both genders. It provides very safe and healthy environment to the female students and staff. The details of the facilities are given as under:

1. In order to sensitize gender equity and to adopt necessary measures to deal with the complaints of sexual harassment of all women at workplace, ICC takes up swift measures to all the complainants reported.
2. MM(DU) sensitizes the students and staff members on gender equity by conducting various awareness activities.
3. The environment is safe and is constantly monitored through CCTV at entry exit and other strategic points. There are separate hostels for boys and girls to provide safe campus life with round the clock security.
4. There are about 45% girl students and more than 50% women staff members in the campus. The female staff members are given administrative responsibilities like Dean, Principals, HODs indicating the faith in female leadership.
5. Various women specific subjects like women and law and other subjects in the Nursing and Medical College are included in the curriculum. Two years extension is allowed to female Ph.D scholars also over and above the permissible period of six years in addition to maternity and child care leaves as per UGC guidelines.
6. Special Holidays are allowed to female employees on "Raksha Bandhan", "Karva Chauth" and "Bhaiya Dooj".
7. Separate common rooms have been provided for girl students in different Institutes of the MM(DU).

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 100 - 200 words)

1. Solid Waste Management:

Blue and green coloured dustbins for dry waste and wet waste respectively are placed in corners of the entire campus in order to easily segregate the biodegradable and non-biodegradable waste.

2. Liquid Waste Management: Liquid waste is categorized into two types:

- **Sewage Waste:** The sewage waste is collected through the well constructed underground drainage system leading to the large collection tanks in the Sewage Treatment Plant for recycling. Treated water is pumped through sprinklers and overhead tanks to all the lawns.
- **Laundry, laboratories and kitchen waste** is passed through the Sewage Treatment Plants and Effluent Treatment Plant and the treated water is used for sanitation.

3. **Biomedical Waste Management:** MM (DU) has adopted the Bio-Medical Waste Management Rules, 2016. Rudraksha Enviro Care Pvt. Ltd., Naraiangarh, authorized by the Haryana State Pollution Control Board (HSPCB), Panchkula for the disposal of Bio-Medical Waste has been engaged by the MM (DU) to remove the waste regularly on monthly basis for further disposal.

4. **E-waste Management:** Recycling and repairing of the e-waste is done as per established procedures. Non-recyclable and nonrepairable e-wastes are disposed off in a safer manner to the government authorized vendors namely Shivalik Solid Waste Management Limited, Nalagarh, H.P.

5. **Waste Recycling System:** Waste recycling plants namely Sewage Treatment Plants (STPs) and Effluent Treatment Plants (ETPs) systems are present in the campus for liquid wastewater recycling.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The MM(DU) imbibes a spectrum of universal human values in young minds. The biggest example of cultural diversity can be seen through the range of various nationalities residing, working and learning together. Presently nearly 6000 students are enrolled from other states and more than 700 are from other countries.

To bring the cultural flavors of International Culture to the Green Land of Haryana, the MM(DU) organizes international Cultural Fiesta 'Vasudhaiva Kutumbkam' annually in which the students participate by making individual state-themed exhibitory houses that exhibit almost all the states of India and over 15+ countries showcasing their arts, culture & traditions. Students also get a number of opportunities at regular intervals to express themselves in their native languages whether it is 'Ammunation' or 'UniversuMM' organized by the University.

In MM(DU), students from various communities have been learning and staying together giving a powerful message of 'Unity in Diversity'. Every community can freely celebrate their festivals like Eid, Diwali, Ganesh Pooja, Gurupurb, Christmas, etc. and get constant encouragement from MM(DU) and its faculty as well.

Students from various economic backgrounds get a quality education here. Their economic disparities hardly make any difference in terms of their presence in classrooms and hostels as well. Women club of the MM(DU) conducts various programs to create awareness about gender issues which include group discussions, debates, etc.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Several activities are organized by the MM(DU) to inculcate values among the students and the staff of being responsible citizens as reflected in the Constitution of India and to abide by the constitutional duties. MM(DU) has always been a pioneer in honoring such great days and events that make us feel proud of being a citizen of such a great country. Republic Day and Independence Day are celebrated on which various patriotic acts like 'Nukkad Natak' and songs are performed in MM(DU) campus and nearby villages, when our great freedom fighters are remembered.

On occasions of various days related to our freedom fighters and other National heroes, many cultural and other activities are organized. The celebrations of these days sensitize the students and staff to follow their ideals. On October 31st, National Unity Day is celebrated. On this occasion, the contribution made by our great leader Sardar Vallabh Bhai Patel in the unification of the country is recalled. Events like "Run for Unity", etc. are organized to unite the students of different regions.

Various events like January 25th, National Voters Day is celebrated to encourage and help students in the process of making Voter-IDs. On June 5th, 'World Environment Day' is celebrated in which Tree Plantation and Plastic Ban campaigns are the main activities organized in the MM(DU). Rallies of students are organized to spread the message of the adverse effects of pollution on our day-to-day life.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution during the year as per NAAC format provided in the Manual

Title of Best Practice - I: Providing Community and Social Outreach Services

Objectives of the Practice:

- To provide best community health services.
- To provide education and awareness on health issues to deprived poor local community.

- To provide education and awareness on socially relevant issues.
- To provide legal aid services.
- To provide affordable quality health care to the rural masses.

Evidence of Success: MM(DU) is adopting various methodologies for meeting the needs of the local social periphery. A 1040 bedded NABH accredited super specialty hospital is fully functional with state-of-the-art modern facilities (like MRI, CT Scan, Advance Surgeries, etc.) to meet with the local health care needs.

Title of Best Practice - II: Special focus on Intra-University and Inter-University Co-curricular & Extra Curricular activities

Objectives of the Practice:

- Engaging students in Co-curricular & Extra-Curricular activities.
- Holistic development of the students.
- To reduce the stress of the students' academic life.

Evidence of Success: It has been observed during the last 03 years that those students who had keenly engaged themselves in Cocurricular/Extra-Curricular activities were more successful in both campus placements as well as professional life thereafter. Some students who had been successful in Cultural activities have established themselves as professionals in the Entertainment Industry while some turned up to be ambassadors of the MM(DU) by proving their excellence at the National Level.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution during the year in one area distinctive to its priority and thrust within 100 - 200 words

Surrounded by green fields, the MM(DU) has a lush green campus with a number of dedicated parks, good landscape and green trees in and around the campus. Students are always encouraged to take part in tree plantation drives, being organized every now and then. Stress has always been on preserving the natural environment and establishment of an eco-friendly Campus. Keeping this in mind, almost, every building of MM (DU) is mounted with arrays of Solar Panels with a 6700KW capacity Solar Power Generation Plant, which is the biggest installation in any University. The total CARBON FOOTPRINT per annum will be 54,00,000 and the CO2 reduction calculated in the number of trees will be approximately 2,50,000 Trees. We are also exporting huge number of electrical units to the state electrical grid, thereby contributing to the country towards a huge resource and infrastructure requirement.

Additionally, following initiatives have been undertaken for making the campus a truly Green Campus:

- Solid Waste Management
- Liquid Waste Management
- Biomedical Waste Management
- E-waste Management
- Hazardous Chemicals and Radioactive Waste Management

Other Measures: The MM(DU) has totally restricted entry of automobiles to commute within the campus and restricted the same to the central parking only. Further, Battery Powered Electric Van have been introduced for movement within the campus. The MM(DU) conducts a green audit, energy audit and environment audit, regularly. It also has sensor-based energy conservation for its active areas. All electrical bulbs and tube lights are LED's.
